

**STATEMENT OF CANDIDATE FOR  
SHERIFF/CORONER-MARSHAL**

**Name: BRANDON BEAN**

**Age: 49**

**Occupation: Sergeant – Placer County Sheriff's Office**

**Education and Qualifications:**

I have been a resident of Placer County for 42 years. I have proudly served as a Peace Officer in Placer County for 22 of those years. I have a bachelor's degree in Criminal Justice and have also graduated from the Sherman Block Supervisory Leadership Institute. In my professional career I have had assignments as a Detective, been a member of the Special Enforcement Team and a Special Agent in a task force designed to fight the distribution of narcotics in our county. I currently serve as the Administrative Sergeant in the Placer County Sheriff's Office. I have worked with victims of crime and I have suffered as a victim of crime when my brother, Officer Bill Bean Jr., was murdered.

My experience as a resident and a Peace Officer in our county makes me uniquely qualified and prepared to be your Sheriff. This experience has also given me the knowledge to understand what policies will keep us safe and what policies are undermining our safety. I look forward to bringing my energy and passion for public service to the Office of Sheriff. I do this so that I may protect and preserve Placer County which my family has always called home.

**Occupation: Placer County Undersheriff**

**Education and Qualifications:**

As your Undersheriff and long-time Placer County resident, it would be an honor to serve as your next Placer County Sheriff. I have served the Placer County Sheriff's Office for nearly 30 years. I am the second-in-command and have the support of our current Sheriff Devon Bell, retired Sheriff Ed Bonner and the Placer County Law Enforcement Management Association.

I have the experience to lead the Placer County Sheriff's Office. I've been a part of our management team since 2007, serving in nearly all functions including patrol, investigations, corrections, SWAT and training. I hold a masters degree in Justice Management.

As Placer County continues to grow, it is imperative that we prioritize public safety. Our agency has the trust of our community, strong core values and the most professional men and women I have ever had the honor to work alongside.

Your support will provide the Sheriff's Office with the continuity of leadership that has been critical to our success. I will work tirelessly to make sure Placer County continues to be a safe place to work, live and raise your family.
