Report of 1 percent manual tally count of random precincts per California Election Code Section 15360(e)

I, Ryan Ronco, County Clerk-Recorder-Registrar of Voters, County of Placer, State of California, do hereby certify that from November 4, 2021, through November 15, 2021, a one percent manual tally was conducted and completed in conjunction with the November 2, 2021, Community Service District Special Election.

The California Elections Code requires each local election official to conduct a manual count of all contests on ballots cast in a randomly-selected one percent of the Election Day voting precinct in order to verify the accuracy of the machine count. This manual tally occurs during the 30-day vote-canvassing period prior to official certification of election results and augments extensive pre-election testing activities to demonstrate the integrity of the vote tabulation system.

For the Northstar Community Services District Election held on November 2, 2021, there was one precinct: 513306. As such, Placer County completed a full manual tally of all ballots returned.

The entire manual tally was conducted in public view by hand without the use of electronic equipment, no individuals who performed the manual tally at any time during the manual tally process were informed of the corresponding machine tally results. Further, tally logs of the manual tally process were kept and have been made available to the public.

An election notice was published in the legal section of the newspaper to comply with the notice requirements. Lastly, the entire manual tally process was completed prior to certification of the Community Service District Special Election.

IN WITNESS WHEREOF I have set my hand and affixed my official seal on this 15th day of November 2021, in accordance with the laws of the State of California.

A handwritten signature in blue ink, appearing to read "Ryan Ronco".
