

<p style="text-align: center;">STATEMENT OF CANDIDATE FOR AUBURN AREA RECREATION AND PARK DISTRICT</p> <p>Name: NIC MACY</p> <p>Occupation: IT Professional, father</p> <p>Education and Qualifications:</p> <p>As a 5th generation Placer County resident, I know the importance of community. Having been born and raised in the Auburn area, now raising my own family, I have experienced the benefits that access to great parks and programs can make. I strongly believe that ARD's parks and programs have great potential to be true gems in our community. I feel that the parks while good, are not great. They are full of potential that has yet to be realized, including not enough benches, too few enriching experiences for youth and an improved feeling of safety. There are many small improvements that can be made in order to make our parks true destinations in our area. I believe that the way to accomplish this is with greater community engagement, which I plan to address by increasing ARD's website's ease of use and increase our ability to meaningfully leverage digital communication with the community. We as a community deserve more than the status quo and I believe the way to do this is by bringing some new life and new ideas to the board. That's why I am asking for your vote for ARD Director.</p>	<p style="text-align: center;">STATEMENT OF CANDIDATE FOR AUBURN AREA RECREATION AND PARK DISTRICT</p> <p>Name: SCOTT HOLBROOK</p> <p>Occupation: Purveyor of Fun, Father, Small Businessman, ARD Director</p> <p>Education and Qualifications:</p> <p>I'm proud of my tenure at the Auburn Recreation District, never forgetting I'm an elected representative, obligated to the citizens. I've taken the lead on practices and policies that have put your ARD in a good fiscal position, ensuring viability for years to come. I've spearheaded the creation of reserve accounts to plan and save for future expenses, never rubber stamping but questioning and challenging staff, contracts, etc. Bottom line, I treat the precious funds we have as I do as a father, businessperson, homeowner etc.</p> <p>I am also very proud of my contributions creating facilities and events that add to the fun and wellbeing of our community. I was the principal board member creating events such as the Fall Community Festival, Party in the Park, Food Truck Fiesta, Ain't Necessarily Dead Festival, and facilities such as the Dog Park, Bike Park, Skate Park, Bocce & Pickle Ball. I've also been responsible for the district receiving 10's of thousands of dollars in donations, sponsorships and partnerships making these events and facilities happen and affordable for all.</p> <p>I love our community, and am thankful for your support in creating Family Fun in the Foothills</p> <p>As always, Keep Smilin' Scott</p>
<p style="text-align: center;">STATEMENT OF CANDIDATE FOR AUBURN AREA RECREATION AND PARK DISTRICT</p> <p>Name: ALAN LOBERSTEIN</p> <p>Occupation: Retired Senior Technology Analyst</p> <p>Education and Qualifications:</p> <p>I have always been struck by the beauty of the Auburn area. With so many parks and natural open space, Auburn has shown it prioritizes natural resources.</p> <p>While our parks are well maintained, they are in need of a few beautification projects. Projects such as durable park benches in shaded areas, modern playground equipment, and fences around playgrounds to keep little ones safe.</p> <p>I am running for Auburn Area Recreation and Park District Director because I want to see our parks healthy, improved, and as charming as Old Town Auburn itself.</p> <p>A vote for me is a vote for public spaces we can all be proud of, a vote for community input on any proposed projects, and a vote to make Auburn's parks our crown jewels. Leveraging my 27-year career as a senior manager in distribution and logistics, and 12 years working for the California Legislature's IT Department in Sacramento, I am well qualified to review detailed plans and track large public projects.</p>
