

**STATEMENT OF CANDIDATE FOR
CENTER JOINT UNIFIED SCHOOL DISTRICT**

Name: NANCY SHERRETS ANDERSON

Occupation: Board Member Center Unified

Education and Qualifications:

I have been honored and humbled to represent you as a CJUSD school board member. I hold the same beliefs today that prompted me to run for this position originally. I am committed to keeping as much money as possible in the classroom and providing each and every child with the education and support they need to prepare for their future, whether it be a vocational career or college path. My long standing experience has helped guide our district through both budget cuts and expansions. I have experience overseeing major facilities projects, which will be needed as we continue to grow as a district. I have lobbied Washington to bring millions back to the district and found ways to improve our facilities without drastically increasing our taxes. My children attended Center schools, and now my grandchildren attend them. Our children today are being subjected to learning and using terminology that some are too young even to understand. With so little time in the school day, our schools need to concentrate on teaching reading, writing, and arithmetic, and not things that are better taught by a parent in the first place. I ask for your vote. Nancy Anderson 916-991-2318

**STATEMENT OF CANDIDATE FOR
CENTER JOINT UNIFIED SCHOOL DISTRICT**

Name: HOWARD BALLIN

Occupation: Digital Forensic Investigator

Education and Qualifications:

As a Governing Board Member of the CJUSD my primary focus will be to ensure the education, safety and security of students are the foremost priority in all decision making. I will promote common sense measures so our children can learn to think for themselves while respecting our laws, values and freedoms.

This is my first time running for public office. I am not a career politician - just someone who cares about the future of our children. I have been a civil servant the last 36 years, 33 of which I have lived in the Antelope community. I have over 15 years of volunteer services in various capacities within CJUSD that will bring a broad perspective to this position.

I'll be fair, impartial and treat all students, parents, guardians, teachers, staff and members of the community equally with dignity and respect so that opportunities are available to learn, teach and work in a safe and secure environment by all.

The community deserves Board Members who will be fair, honest and open minded and will serve the district with integrity, compassion and candidness. I am eager and willing to devote the necessary time and energy this position deserves.

**STATEMENT OF CANDIDATE FOR
CENTER JOINT UNIFIED SCHOOL DISTRICT**

Name: STEVEN J BRUNO

Occupation: Appointed Incumbent

Education and Qualifications:

I believe that all students deserve a quality education that will help prepare them for their futures, and I am dedicated to making that a reality. I am a believer in working within the system to strengthen student outcomes, but when flaws with the system are found, we must make the necessary adjustments to ensure that all students succeed.

I also strongly believe we need high quality district staff, and the best way to attract and retain them is to treat them with dignity, respect, and appreciation while holding them to a high standard.

I grew up with a very involved teacher as my mother, I had 4 children graduate through CJUSD, and I work in IT for another local school district. I am very passionate about and believe in public education.

I have been privileged to have served on the board for the past 2 years. My continued goals are to improve communication with the community, to improve board interactions, and to strive to better serve each and every student. My logical yet compassionate approach makes me well suited to the position. I respectfully ask for your vote to allow me to continue this work.
