In these trying times, we are confronting tough challenges and working collegially to rise above them and help students in our communities succeed. Schools in our District are unique and special. It is my goal to continue fostering caring communities where all students thrive, all staff feels supported, and parents can engage as partners in their child's education. I will ensure that we continue to provide our students with an educational system that challenges and inspires them to think logically, be resilient, communicate effectively, and be well-prepared leaders. As a father, educator and coach in our District, I have witnessed the needs, strengths, and differences in each of our schools. As a Board member, I bring that knowledge to the table with the goal of creating educational programs and opportunities that meet the unique local needs and reflect the differences within a school without compromising high performance expectations and standards.</p>	<p style="text-align: center;"><b>DECLARACIÓN DE CANDIDATO PARA DISTRITO ESCOLAR UNIDO DE PREPARATORIAS DE PLACER, FIDEICOMISARIO ÁREA 1</b></p> <p style="text-align: center;"><b>Periodo de 2 años</b></p> <p><b>Nombre: ROB HITCHCOCK</b></p> <p><b>Ocupación: Miembro de la Junta Escolar/Educador jubilado</b></p> <p><b>Educación y Calificaciones:</b></p> <p>Un miembro de la Junta escolar asume una de las responsabilidades ciudadanas más importantes: supervisar la educación de los jóvenes de la comunidad. En estos tiempos de prueba, confrontamos duros desafíos y trabajamos colegiadamente para superarlos y ayudar a los estudiantes de nuestras comunidades a tener éxito. Las escuelas de nuestro Distrito son únicas y especiales. Mi objetivo es seguir fomentando comunidades que se preocupen, en las que todos los alumnos prosperen, todo el personal se sienta apoyado y los padres puedan participar como colaboradores en la educación de sus hijos. Me aseguraré de que sigamos proporcionando a nuestros alumnos un sistema educativo que les rete e inspire a pensar de forma lógica, a ser resilientes, a comunicarse con eficacia y a ser líderes bien preparados. Como padre, educador y entrenador en nuestro Distrito, he sido testigo de las necesidades, las fortalezas y las diferencias de cada una de nuestras escuelas. Como miembro de la Junta, apporto ese conocimiento con el objetivo de crear programas y oportunidades educativas que satisfagan las necesidades locales únicas y reflejen las diferencias dentro de una escuela sin comprometer las expectativas y los estándares de alto rendimiento.</p>
