

**STATEMENT OF CANDIDATE FOR
ROCKLIN CITY COUNCIL – SHORT TERM**

Name: DAVID BASS

Age: 42

Occupation: Attorney

Education and Qualifications:

As a dedicated member of the Rocklin community, I am proud to serve on the boards of Rocklin Chamber of Commerce, Rocklin Police Activities League, and a member of the South Placer Rotary Club.

My wife and I are grateful to be longtime residents, raising our two children in our school district. I am also a military veteran.

I am a partner at a local law firm that primarily defends the business community. Before entering private practice, I was a deputy district attorney and deputy attorney general, prosecuting felonies and complex crimes.

If elected to the City Council, I plan to use my experience as a Rocklin Planning Commissioner to manage our city's growth responsibly while maintaining a rich quality of life for our residents. I will apply my prior law enforcement experience to ensure public safety is a forefront concern with the Council. With families in mind, I will work to improve and expand opportunities for our youth in sports, education, and recreation.

Our city is truly the best city in California. I will serve with integrity, transparency, and cooperation with our citizens and businesses.

**STATEMENT OF CANDIDATE FOR
ROCKLIN CITY COUNCIL – SHORT TERM**

Name: MATTHEW OLIVER

Age: 43

Occupation: Small Business Owner, Community and Business Advocate

Education and Qualifications:

Rocklin is a Great City. There is no better place to raise your family.

But our safety and quality of life are threatened by increasing crime and homelessness. This impacts everything we do at school, work, and home.

This is our city, our future. Let's protect it together.

I've been active in this community for 12 years. As a local business owner, I have experience advocating for businesses large and small. I have led the charge against illegal mandates that have hurt our families and community.

I have stood up when others stood by. I stood shoulder to shoulder with teachers, parents, students, nurses, and doctors against bully politicians who pushed ridiculous agendas. I spoke at the Capitol advocating for Rocklin and Placer County - never wavering or backing down.

I led efforts in our region to get businesses open and move Rocklin forward, putting Freedom back into the hands of the people.

I have real experience and a strong track record. I believe we simply cannot put off till tomorrow the issues we are facing today!

Help me bring my passion, experience, and commitment to the Rocklin City Council.

I ask for your vote.
