Name: PAUL BANCROFT

Age: 43

Occupation: Sierra College Board Trustee

Education and Qualifications:

As a born and raised Tahoe-Truckee resident, it has been an honor to serve on the Sierra College Board of Trustees for the past 6 years.

I live and work in the North Lake Tahoe/Truckee region, raising two children with my wife. I have a bachelor's degree from Montana State University and a master's degree from the University of California, Santa Barbara. I am the Executive Director of Sierra Community House, a social service non-profit, serving North Lake Tahoe/Truckee. Prior to that I served on the Board of Directors for the California Partnership to End Domestic Violence.

Sierra College is an asset to our communities providing first-rate education and career pathway opportunities. The Truckee Tahoe campus serves as a center for educational and community events. As the Area Two trustee, I strive to advocate for and represent the Truckee/Tahoe campus. I have served as the Vice Chair of the Board for the past two years and if re-elected I will serve as Chair of the Board in January. As a trustee, I listen to all perspectives and always center students and faculty in my decision-making.

I humbly ask for your vote on November 8th. Please email me at pbancroft@sierracollege.edu

Name: JEREMY JEFFREYS

Occupation: Teacher/Military Veteran/Parent

Education and Qualifications:

I am a military veteran, small business owner, parent, community volunteer, and High School Teacher with a master's degree in education. I have always seen serving one's community as one of the most important things a person can do. Because of that, I have spent all my life serving our state, community and country. I am a parent with two daughters (25 and 13 years old). As a community volunteer I am a member of the Placer County Sheriff's Office Search and Rescue Team, and I am on the Board of Directors for a local educational non-profit organization. I have a vested interest in assuring that Sierra College is the type of education institution that students are drawn to. I believe with every decision I make as a Sierra College trustee; I should consider the impact on the students in the classrooms. I believe in clear and open communication. I also believe that the college has a responsibility to keep its students safe, so I will work hard to improve safety on the campus.
