What is Vote-By-Mail voting and how does it work?

Vote-By-Mail voting allows registered voters to cast a ballot without going to a polling place on Election Day. If a registered voter submits a request for a Vote-By-Mail ballot, the Elections Division will send the ballot to the address listed on the request beginning 29 days prior to Election Day. Once the Vote-By-Mail ballot has been completed it may be returned in person or via the 24 hour drive-up, drop-off ballot box located at the Placer County Elections Division. The Elections Division is located at 2956 Richardson Drive, Auburn CA, 95603. Regular business hours are Monday through Friday from 8:00 A.M. to 5:00 P.M. For added convenience the Placer County Elections Division may be open on weekends prior to an election. Contact the Elections Division for election specific hours. Vote-By-Mail ballots may also be submitted at any polling place in Placer County from 7:00 A.M. to 8:00 P.M. on Election Day.

Do I have to request a Vote-By-Mail ballot for every election?

State law allows any voter to be a Permanent Vote-By-Mail voter. If you are a Permanent Vote-By-Mail voter, you do not need to complete an application for each election. Your ballot will be automatically mailed to you at 29 days prior to every election. To learn more visit our website at **How to Vote/Apply to Vote-By-Mail** or contact the Placer County Elections Division at 530-886-5650 or toll free in California at 1-800-824-8683.

Yes. The individual picking up the ballot must be at least 16 years of age or older. Written authorization is necessary along with the voter's Vote-By-Mail Application. No application is necessary if the voter is a Permanent Vote-By-Mail voter. Further, in both situations a Penalty of Perjury Statement will be signed at the Elections Division by the person picking up the ballot for the voter.

I'm in a Mail Ballot Precinct, why?

Voters may be required to vote by Mail Ballot if their precinct has fewer than 250 registered voters on the 88th day prior to an election and is declared to be a "Mail Ballot Precinct" by the Elections Division. Notification is mailed to voters prior to each election to advise that they live in a Mail Ballot Precinct. Do you count all of the ballots that arrive by mail?

Every returned envelope that contains a verifiable signature, ballot and is received prior to 8:00 P.M. on Election Day will be counted.

How can the Elections Division be certain the ballot I return belongs to me?

According to California Election Code 3019, once your Vote-By-Mail ballot has been returned to the Elections Division, the signature on the return envelope will be compared to the signature on your Voter Registration Form. If there is a match your ballot will be counted. If the signatures do not match the ballot cannot be counted. However, our office may attempt to contact you directly. A new Voter Registration Form will be mailed out to you so that we may obtain your current signature for future elections.

If a signature was not provided on the return envelope containing your ballot, it may be mailed back to you for signing or (depending on the proximity of the election) our office may attempt to contact you directly.
