**STATEMENT OF CANDIDATE FOR  
UNITED STATES REPRESENTATIVE, 4TH DISTRICT**

**MITCHELL WHITE**

**Occupation:** Senior Accountant

**Education and Qualifications:** As a Senior Auditor at Ernst & Young, I saw how our healthcare system is flawed. I authored a healthcare bill to lower insurance premiums and increase competition by prohibiting hospitals from artificially increasing prices. My bill will lead to an efficient free market system with transparent prices. We must restructure Medicare and retirement programs so that our seniors have the best quality healthcare.

Ronald Reagan appointed private sector leaders to implement tax relief, increase productivity and instill pride and morals. As a businessman, I will bring a fresh perspective to our government. If you want someone who can follow the money and solve problems, then hire an auditor and not a career politician.

Reagan's war against drugs is non-existent today. Drugs are destroying our children, and marijuana brings dangerous cartels that grow and harvest within our national forest. These cartels clear-cut trees and contaminate water, which lead to life-long consequences and costly cleanup efforts at our expense.

I opposed Proposition 64, which legalized marijuana in California. Our representation over the past ten years has fought for and written legislation for the protection of marijuana and continues to do so at the Federal level. I will not take money from the cannabis industry or Indian tribes for their special interests.

I firmly uphold conservative and Republican values. We are bestowed to protect our children, values and environment. With humility before God, I will strive at my highest capacity to serve and honor our great nation.

**STATEMENT OF CANDIDATE FOR  
UNITED STATES REPRESENTATIVE, 4TH DISTRICT**

**ROZA CALDERON**

**Occupation:** Geoscientist

**Age:** 33

**Education and Qualifications:** I grew up in the All-American City of Lincoln in Placer County. This is my home, where I have chosen to raise my family and became a small-business owner of an environmental services firm. I attended Humboldt State and the local community colleges to finish with 4 degrees in Geography, Geographic Information Systems, Natural Sciences, and Social Sciences. I have devoted myself to elevate my local community as an organizer and volunteer. I served as the Chairperson of the Policy Council for KidZKount-HeadStart, to focus on early childhood education. I teach Hour of Code CA, to children at public schools, preparing the future generations of innovative minds. I believe in the value of hard work that is based on the American Dream; which is rooted on the idea that every child deserves equal opportunity to excel and that individuals who work hard should have a fair shot to get ahead, no matter where they started in life.

For too long corporations have been able to buy the government they want, and eliminate the voice of the voters. I have vowed not to take any corporate donations and will fight to end special interest money in politics. Our tax dollars should be used to pay for our schools, infrastructure, defending the Republic, and many necessary earned benefit programs. I will advocate for a strong and inclusive economy for all Americans, Medicare for all, and equity in our education system.

I will be fighting for the heart of this nation, the people.

**STATEMENT OF CANDIDATE FOR  
UNITED STATES REPRESENTATIVE, 4TH DISTRICT**

**TOM MCCLINTOCK**

**Occupation:** United States Representative

**Education and Qualifications:** Freedom works. Americans have always been the most prosperous, secure and happy when we've been the most free. Our Founders created a society in which we can make our own choices, enjoy the fruit of our own labors, take responsibility for our own decisions and lead our own lives with a minimum of bureaucratic interference and intrusion. Government protects our fundamental rights and leaves us otherwise alone to live as we see fit.

We're finally putting freedom back to work. The tax cuts and regulatory relief we've won are producing bigger paychecks, better jobs, and long overdue bonuses and raises for American families. Enforcement of our immigration laws is finally putting Americans first. It's working: the economic despair of the last decade is giving way to growth, opportunity and optimism once again.

Whether we continue this progress or return to the failed policies of the past is the central issue in this election. We've seen what happens when an all-powerful government tries to command our economic decisions, micro-manage our daily lives, leave our borders wide open and consume more and more of our earnings. These failed policies placed our children in danger of becoming the first American generation to be less well off than their parents. Why would we want to go back?

You sent me to Washington to fight for the policies we are now implementing, and they are working. I need your support to continue our progress.

**STATEMENT OF CANDIDATE FOR  
UNITED STATES REPRESENTATIVE, 4TH DISTRICT**

**JESSICA MORSE**

**Occupation:** National Security Strategist

**Age:** 36

**Education and Qualifications:** I'm Jessica Morse, a devoted public servant and 5th generation Northern Californian, ready to be the community voice we need in Washington.

My ancestors crossed the Sierra in the 1890's, and my family still protects their beautiful forestland. A daughter of public school teachers, I grew up skiing at Tahoe, eating pie at Apple Hill, fishing the American River, and backpacking throughout Yosemite.

From my first job cleaning toilets at a nursing home to advising the four-star admiral at U.S. Pacific Command - I've devoted my life to service. As a national security strategist, I worked to prevent conflicts abroad, so our troops could sleep at home. During the year and a half I spent in Iraq, I learned to confront tough challenges head on; I never wasted time assigning blame.

That's the attitude I'll bring to Washington. I'm throwing away the partisan scorecard. It's time to solve the common challenges that affect everyone, regardless of party: the threat of wildfire and drought, the need for quality and affordable healthcare, and the demands of improving roads and rural broadband. We all want to see our children safe in their schools, our seniors retiring with dignity, and our basic American bargain restored: if you work hard and do your part, you ought to get ahead.

Our community deserves a fierce advocate to solve the problems that affect us all. With your support, that's how I'll serve our district. Together, we can return public service back to politics.

**DECLARACIÓN DE LA CANDIDATA A  
REPRESENTANTE DE LOS ESTADOS UNIDOS, 4º DISTRITO**

**JESSICA MORSE**

**Ocupación:** Estratega de Seguridad Nacional

**Edad:** 36

**Educación y calificaciones:** Soy Jessica Morse, una sirviente pública dedicada y 5º generación de californianos del norte, preparada para ser la voz de la comunidad que necesitamos en Washington.

Mis ancestros cruzaron la Sierra en la década de 1890, y mi familia aún protege su hermosa zona de bosques. Hija de docentes de escuela pública, crecí esquiendo en Tahoe, comiendo pasteles en Apple Hill, pescando en American River, y siendo mochilera en todo Yosemite.

Desde mi primer empleo limpiando baños en un hogar de ancianos hasta asesorar al almirante de cuatro estrellas del Comando del Pacífico de EE. UU. - dedico mi vida al servicio. Como estratega de seguridad nacional, trabajé para evitar conflictos en el extranjero, para que nuestras tropas pudieran dormir en casa. Durante el año y medio que pasé en Irak, aprendí a confrontar los difíciles desafíos por delante; jamás desperdiicé tiempo asignando culpas.

Esa es la actitud que llevaré a Washington. Me estoy deshaciendo del registro de logros partidarios. Es hora de resolver los desafíos comunes que afectan a todos, independientemente del partido: la amenaza de incendios descontrolados y sequías, la necesidad de atención médica asequible y de calidad, y las demandas de mejorar las carreteras y la banda ancha rural. Todos queremos ver a nuestros hijos seguros en sus escuelas, nuestros ciudadanos mayores jubilarse con dignidad, y nuestro pacto norteamericano básico restablecido: si trabaja duro y hace su parte, usted debería progresar.

Nuestra comunidad merece una feroz defensora para solucionar los problemas que nos afectan a todos. Con su apoyo, así es como servirá a nuestro distrito. Juntos, podemos devolver el servicio público a la política.

**STATEMENT OF CANDIDATE FOR  
UNITED STATES REPRESENTATIVE, 4TH DISTRICT**

**REGINA BATESON**

**Occupation:** Military Security Analyst

**Education and Qualifications:** Washington, DC is broken, and it's time for a change.

We need a Representative who will stand up for what's right and be a strong, independent voice for our region.

Growing up in Roseville, our community taught me to value family, freedom, hard work, and honesty. I also learned that in tough times, we all have an obligation to do our part and help others.

After 9/11, I joined the Foreign Service, and I worked to keep us safe from terrorism. Today I'm stepping up to serve again, this time by running for Congress.

Our region is full of good, decent people, and we deserve a real voice in Congress. Whether we're Republicans or Democrats, we all want our kids to grow up with strong values and good role models. We want our seniors to enjoy a secure retirement, and our veterans to be duly honored for their service. We want our democracy to be strengthened, not undermined.

I'm running to fight for good-paying jobs, healthcare, and our public schools. I'll defend Social Security and Medicare. I'll protect our clean air and water and our pristine lakes, rivers, and forests.

I am not a career politician or a Washington insider - I'm a pragmatic problem solver. I'm running to stand up for our families, our community, and our country. I hope you will stand with me.

**STATEMENT OF CANDIDATE FOR  
STATE ASSEMBLY, 6TH DISTRICT**

**JACALYN "JACKIE" SMITH**

**Occupation:** Small Business Owner

**Education and Qualifications:** I'm Jackie Smith and I'm running for Assembly District 6.

I was born in Chicago to a strong working-class tradition. My father was a milkman and proud Teamster, while my Mother worked as a secretary. My son carries the working tradition as a welder. Several years ago, after a long, 30-year career in business, my wife and I moved to Rocklin. We picked this community because it enjoys the best of many worlds- quality schools, a robust business environment, safe neighborhoods, community resources, strong local governments and most importantly, good people. These values are why we are proud to call Rocklin our home.

When elected, I'll fight to preserve that quality of life in the 6<sup>th</sup> Assembly District. With 30% of our population now over the age of 55, I'll work to protect our community from the rising costs of pharmaceuticals, and threats to Social Security and the Safety Net. I'll introduce medication buyback programs and bring the 2-1-1 program statewide to connect people to public services. I'll work to eliminate the barriers to affordable housing. I'll focus on making college more accessible and affordable, expanding vocational programs at the community colleges, and attracting universities to provide better training and opportunities to the area, to keep up with current job markets. And I'll work protect our environment and the open spaces and views that make the 6<sup>th</sup> district so desirable.

I'm ready to work. With your vote, we'll make the 6<sup>th</sup> district even greater than it already is.

**DECLARACIÓN DE LA CANDIDATA A  
LA ASAMBLEA ESTATAL, 6º DISTRITO**

**JACALYN "JACKIE" SMITH**

**Ocupación:** Propietaria de un Pequeño Negocio

**Educación y calificaciones:** Soy Jackie Smith y me postulo para el Distrito 6 de la Asamblea.

Nací en Chicago en el seno de una tradición de clase trabajadora. Mi padre fue repartidor de leche y Teamster orgulloso, mientras que mi Madre trabajaba como secretaria. Mi hijo lleva la tradición trabajadora como soldador. Hace algunos años, luego de una larga carrera de 30 años en negocios, mi esposa y yo nos mudamos a Rocklin. Elegimos esta comunidad porque goza de las mejores escuelas de calidad mundial, un sólido entorno comercial, vecindarios seguros, recursos comunitarios, gobiernos locales fuertes y lo que es más importante, buenas personas. Estos valores son el motivo por el cual nos enorgullece llamar a Rocklin nuestro hogar.

Cuando sea electa, lucharé para preservar esa calidad de vida en el 6º Distrito de la Asamblea. Con el 30% de nuestra población ahora por encima de los 55 años de edad, trabajaré para proteger a nuestra comunidad de los crecientes costos de los medicamentos, y de las amenazas al Seguro Social y la Red de Protección Social. Introduciré programas de recompra de medicamentos y llevaré el programa 2-1-1 a todo el estado para conectar a las personas con los servicios públicos. Trabajaré para eliminar las barreras para la vivienda asequible. Me enfocaré en hacer más accesible y asequible la universidad, ampliando los programas vocacionales en los colegios comunitarios, y atrayendo a las universidades para brindar mejores oportunidades y capacitación al área, para estar al día con los actuales mercados laborales. Y trabajaré proteger nuestro medio ambiente y los espacios abiertos y las vistas que hacen tan atractivo al 6º distrito.

Estoy lista para trabajar. Con su voto, haremos al 6º distrito aún más grande de lo que ya es.

**STATEMENT OF CANDIDATE FOR  
STATE ASSEMBLY, 6TH DISTRICT**

**KEVIN KILEY**

**Occupation:** Member of State Assembly

**Education and Qualifications:** Two years ago the voters of the 6th Assembly District trusted me with their vote to Represent them in the State Assembly. I'm proud to be a champion for taxpayers.

Before being elected to the State Assembly, I worked as a Deputy Attorney General prosecuting convicted felons.

Today, as your local Representative, I have made it my priority to shake up the stranglehold of Sacramento special interests, to fight to reduce government waste, and to lower your tax burden.

I have been a vocal proponent standing up for taxpayers and protecting Prop 13. I am proud to have earned a 97% A rating from the Howard Jarvis Taxpayer Association.

I opposed the new Gas Tax, and support giving voters the right to vote on any future increase before it becomes law.

I also authored legislation to allow individuals to deduct their federal tax payments from their state taxes, ending the practice of government double taxation.

My past experience includes: Graduate of Harvard and Yale universities: Inner-City Public School Teacher: Business Legal Advocate: Deputy Attorney General and Criminal Prosecutor. I was raised in our district and attended its schools.

With your vote I'll continue to fight for middle class families and you the taxpayer.

**STATEMENT OF CANDIDATE FOR  
PLACER COUNTY SUPERIOR COURT, OFFICE 2**

**KULVINDER SINGH**

**Occupation:** Attorney at Law

**Education and Qualifications:** I have lived in Placer County for 14 years, attended Sierra College, California State University Sacramento, and University of the Pacific McGeorge School of Law. My teenagers go to Roseville public schools. Our elders instilled in us an obligation to give back to the country that has granted such opportunities to succeed.

As a law student, I advised parties in small claims cases. After law school, I worked at the Yuba-Sutter Legal Center for Seniors. Judges appoint me to represent people in Placer, Sacramento, Sutter and Yuba court cases. I served as a temporary judge in the Roseville courthouse 10 years ago. I have practiced criminal, family and civil law for 21 years ([www.singhlawoffice.com](http://www.singhlawoffice.com)). People trust me to help them navigate a system that can be difficult for them to understand, including people with limited English proficiency and economically disadvantaged.

Scott Alvord, Roseville City Councilmember, endorsement: Mr. Singh is the type of judge that I'd like to have in front of a criminal or a family member who made a bad choice. He's tough on criminals but fair to those needing a course correction.

It would be a privilege to serve you, the people, as a fair and impartial judge. I have the temperament and dedication to provide equal access to justice. I would be honored to have your vote.

**STATEMENT OF CANDIDATE FOR  
PLACER COUNTY SUPERIOR COURT, OFFICE 2**

Before CalVet I served as a Deputy Attorney General in the California Department of Justice. Prior to my work as a Deputy Attorney General, I worked as a private civil attorney for sixteen years.

I am committed to justice, fairness and preserving the rule of law. My dedication to public service and unwavering commitment to justice have prepared me to serve as a Judge on the Superior Court. **STATEMENT OF CANDIDATE FOR  
PLACER COUNTY SUPERIOR COURT, OFFICE 2**

**REBECCA L CHENOWETH**

**Occupation:** Attorney, Advocate for Children, Families & the Elderly

**Education and Qualifications:** It has been my honor to serve as an attorney for over 20 years with a primary focus on the protection and safety of children, families, and the elderly.

Well-respected by my colleagues, I'm an ethical, highly-qualified, hard-working, fair-minded attorney with a long history of successfully handling high caseloads on a regular basis, including numerous jury and court trials. I maintain professional demeanor even under enormous pressure. I will not seek endorsements from Judicial Appointees; I'm seeking appointment by the voters.

My experience as an Administrative Hearing Officer and as a Judge ProTem for Restorative Justice Youth Court has well prepared me as Superior Court Judge. Additionally, my experience includes both the State appellate and Federal court levels, resolving Clean Water Act and eminent domain cases.

I have also served as Juvenile Justice Commissioner, mentor attorney for Teen Court, trainer for attorneys and non-attorneys, and member of non-profit boards focused on assisting children and families in crisis.

After graduating from law school in 1995, I was admitted to the California State Bar where I've maintained a spotless active record. **STATEMENT OF CANDIDATE FOR  
PLACER COUNTY SUPERINTENDENT OF SCHOOLS**

**GAYLE GARBOLINO-MOJICA**

**Occupation:** Placer County Superintendent of Schools

**Age:** 48

**Education and Qualifications:** It has been an honor to serve as Placer County Superintendent of Schools these past twelve years. I am proud that through hard work, conservative budgeting and transparent governing, Placer County has proven that it excels in educating our 70,000 students.

Hard work by our students, active involvement by our parents and clear vision by our educational leaders has paid off. Placer County's public schools consistently rank as one of the top three performing counties in the state of California.

As county superintendent, my office has created more access to preschool for our youngest students and has introduced more researched-based instructional strategies into our schools. We have created alternatives to traditional school settings and have the relentless desire to provide multiple opportunities for student success.

I am proud of the solution focused work that is making systemic improvements to our county's educational system. The Placer County Office of Education, along with our local school districts, has worked hard to overcome the challenges facing public schools. If you want to see public education in Placer County continue to excel and continue to be an example for the rest of the state, I respectfully ask for your vote.

**STATEMENT OF CANDIDATE FOR  
SACRAMENTO COUNTY BOARD OF EDUCATION, TRUSTEE AREA 2**

**RAY GREEN**

**Age: 29**

**Occupation:** Educator/Youth Mentor

**Education and Qualifications:** As a person of color and former foster youth who comes from a low-income family, I know firsthand the barriers that prevent students from achieving their utmost potential.

Many students are not being provided with an inclusive atmosphere to hone their abilities and become productive members of society. Instead, many become unfortunate victims of the school-to-prison pipeline, and unfortunately never realize their full potential.

This means our education system is failing. But, with your help, we can turn our school system around. Students thrive best when the strength of family, education and community work in collaboration to optimize holistic success and development. As your elected Sacramento County Board of Education member, I'll work hard to ensure each and every student in the county has the opportunity to receive a world-class education.

Over the years, I've dedicated myself to improving health and educational outcomes for Sacramento's most at-risk and disadvantaged youth. Currently, I serve as Program Director for the county's Black Child Legacy Campaign, an initiative that aims to mitigate the loss of life of children who live in communities of color.

I've also worked to provide mothers with prenatal health information and educational resources that improve parent-child relations. I've had much success implementing various education strategies, mentoring Black and Latino youth away from neighborhood gangs.

As your Trustee, you have my promise that I'll work harder than ever to help close the achievement gap. I will encourage my colleagues on the Board to give each expulsion appeal great deliberation. No more rubber stamps. Together, we can work with our schools to implement Restorative Justice programs and other interventions that help lower the amount of expulsions making their way to the county board.

I'll be your ally in the fight for increased early literacy programs, so our children can have a strong educational foundation. I will encourage healthy collaboration between parents, teachers and students to build a positive culture of academic, civic, and peer engagement.

I will bring an experience-laden perspective to dealing with complex issues and will acknowledge the work teachers do in and out of the classroom. I take student success personally and will always be an advocate for our youth, families, teachers, administration, and staff when making decisions. Together, we can make a difference. **STATEMENT OF CANDIDATE FOR  
PLACER COUNTY SUPERVISOR, 1ST DISTRICT**

**BONNIE M. GORE**

**Occupation:** Businesswoman, Roseville Vice-Mayor

**Education and Qualifications:** It has been an honor to serve Roseville residents the past five years. During that time, we have balanced budgets with reserves and hired more police officers without raising taxes. In 2017, Roseville ranked as the #1 place to raise a family, one of the safest communities in California and one of the best places to retire in America.

As a public servant, I am committed to being the full-time supervisor you deserve. As a businesswoman, I'm a strong proponent of fiscal accountability. And as a mom, it's my #1 priority to keep our families safe. That is why I am endorsed by Crime Victims United of California and California Police Chiefs Association Vice-President Ronald Lawrence.

You can count on me to fight against new taxes and county policies that hurt Roseville residents and damage our economy. I will hold county government accountable and ensure our streets are improved to relieve worsening traffic.

I've been blessed to serve on the Board of the Roseville City School District Foundation and was the founding chair of the non-profit Lighthouse Counseling and Family Resource Center to help families in crisis.

I would be honored to receive your vote. For more information, visit [www.bonniegore.com](http://www.bonniegore.com)

**STATEMENT OF CANDIDATE FOR  
PLACER COUNTY SUPERVISOR, 1ST DISTRICT**

**JACK DURAN**

**Age: 53**

**Occupation:** Placer County Supervisor/Business Owner

**Education and Qualifications:** Since I became District 1 Supervisor, we have turned deficits into 7 straight balanced budgets. The fairgrounds have been revitalized. Responsible new development and infrastructure agreements are growing our economy and protecting our quality of life- now ranked highest in the state.

I want to keep it that way for future generations.

That's why I created our Public Safety Master Plan to strengthen local police and fire services, organized new community partnerships to combat homelessness, and helped lead efforts to build a regional university, reduce traffic congestion, eliminate wasteful spending and tighten ethics rules for county officials.

This community has been my home for 35 years. I'm the son of a Deputy Sheriff, guided by the values of hard work and public service. Since putting myself through local colleges, I've worked as a Deputy Attorney General, built three local businesses, and served our community as a youth mentor, taxpayer advocate, School board President and now as District 1 Supervisor.

I'd be proud to earn your vote.

Supported by former Sheriff Ed Bonner, D.A. Scott Owens, Deputy Sheriffs, Placer Firefighters, Roseville Police Officers, Former Mayors Richard and Pauline Rocucci, School Board President Paige Stauss and City Council Member Scott Alvord. SUPERVISOR DEL CONDADO DE PLACER, 1º DISTRITO**

**JACK DURAN**

**Edad: 53**

**Ocupación:** Supervisor del Condado de Placer/Propietario de Negocio

**Educación y calificaciones:** Desde que fui elegido como Supervisor del 1º Distrito, hemos convertido los déficits en 7 presupuestos equilibrados consecutivos. Se han revitalizado el recinto ferial del condado. Los nuevos acuerdos responsables de infraestructura y urbanización están haciendo crecer nuestra economía y protegiendo nuestra calidad de vida- ahora calificada como la más alta del estado.

Quiero que se mantenga así para las generaciones futuras.

Es por ello que trabajé en crear nuestro Plan Maestro de Seguridad Pública para fortalecer los servicios locales de policía y bomberos, organicé nuevas asociaciones comunitarias para combatir la falta de hogar, y ayudé a dirigir los esfuerzos para construir una universidad regional, reducir la congestión del tráfico, eliminar el gasto innecesario y reforzar las reglas de ética para los funcionarios del condado.

He vivido en esta comunidad desde hace 35 años. Soy el hijo de un Alguacil Auxiliar, guiado por los valores del afán y el servicio público. Después de haber terminado mis estudios en las universidades locales, trabajé como Procurador General Adjunto, he formado tres negocios locales, y presté servicios a nuestra comunidad como mentor de jóvenes, defensor de los contribuyentes, Presidente de la Junta Escolar y ahora como Supervisor del Distrito 1º.

**STATEMENT OF CANDIDATE FOR  
PLACER COUNTY CLERK-RECORDER-REGISTRAR OF VOTERS**

**RYAN RONCO**

**Age: 51**

**Occupation:** Appointed Placer County Clerk-Recorder-Registrar of Voters

**Education and Qualifications:** It is my honor to serve as your Placer County Clerk-Recorder-Registrar of Voters. I was unanimously appointed to this position two years ago by the Placer County Board of Supervisors because of my 24 years of experience and proven leadership in the office. I am certified by the California Association of Clerks and Elections Officials as a Professional Elections Administrator.

During my service, our office has become a leader in elections and recording management. I brought electronic document recording to the county, which increases office efficiency and saves precious taxpayer dollars. The Placer County High School Voter Outreach Program has received state and national recognition. The Placer County Senior Citizen Voter Outreach Program has helped thousands of seniors to correctly re-register. Our Placer County Candidate Workshops teach hundreds how to run for office.

These initiatives create an engaged, informed electorate who vote on Election Day – at the November 2016 Presidential General Election, Placer County had an astounding 84.2% turnout!

But there is still more to do, including candidate filing automation and a fully digitized recorded document index.

My community service includes: Salvation Army of Auburn, Placer County Fair Association, Tommy Apostolos Fund, Placer County Chapter of the Sacramento State Alumni Association, KidsFirst, Lighthouse Counseling and Family Resource Center, and others.

I love serving the residents of Placer County. I am an Eagle Scout and attended local schools. I've raised my two children in a community that I've called home for the last 40 years.

I respectfully ask for your vote. For more information, please visit [RyanRonco.com](http://RyanRonco.com).

**STATEMENT OF CANDIDATE FOR  
PLACER COUNTY CLERK-RECORDER-REGISTRAR OF VOTERS**

**DARREN MILLER**

**Age: 34**

**Occupation:** Land Abstractor & Title Professional

**Education and Qualifications:** I have been a Placer County resident for 17 years. I'm a business owner and property records expert with over 19 years of experience. I've personally visited 33 Clerk-Recorder offices in California and have worked with all 58 California county offices.

The Clerk-Recorder-Registrar is responsible for filing and storing a variety of document types from birth certificates to real estate documents. This year, some of the fees to record these documents have increased astronomically. Recording fees increased 535%. The fee increases will affect the pockets of placer county residents. If elected I will dispute the increased fees.

Data security is my other priority. In recent years, there's been countless cyber-security breaches. Your personal and public information is at stake. The question is, Where is my information being stored and how can I ensure its safe? One place is the Clerk-Recorder-Registrar. If elected, it will be my duty to find new and innovative solutions to keep your public and private information safe.

The expertise and knowledge I've acquired by working in the industry and with all 58 county recorder offices makes me the most qualified candidate for the position of Clerk-Recorder-Registrar.

## MEASURE E

### SIERRA JOINT COMMUNITY COLLEGE DISTRICT BOND MEASURE

---

**“To bring older buildings to code/standards for continued use, improve workforce job training facilities to affordably prepare, train/retrain students/veterans for quality jobs, repair, construct, acquire classrooms, facilities, equipment, shall the measure for Sierra Joint Community College District to issue \$350,000,000 in bonds at legal rates and levy on average 1.7 cents/\$100 assessed value (\$18,000,000 annually) while bonds are outstanding be adopted, with taxpayer oversight/audits, no money for administrator salaries/pensions, all funds used locally?”**

**BONDS – YES \_\_\_\_\_**

**BONDS – NO \_\_\_\_\_**

---

#### IMPARTIAL ANALYSIS BY PLACER COUNTY COUNSEL

This measure, if approved by fifty-five percent of the voters voting thereon, would authorize the sale of general obligation bonds by the Sierra Joint Community College District Board of Trustees, acting as the legislative body of the Sierra Joint Community College District School Facilities Improvement District No. 4, Rocklin Area Campus (herein, the "District") in the amount of up to \$350,000,000 (three hundred fifty million dollars) in aggregate principal amount. The proceeds of the bonds would be used for the purposes described in the text of Measure E, which precedes this analysis. Principal and interest on the bonds would be paid from a tax placed on the taxable property within the District. The District's estimate of the highest tax rate that would be required to fund this bond issue follows this analysis.

A general obligation bond is a form of borrowing used to fund school facilities. By law, local general obligation bonds, financed through an increase in local property taxes, can be used for renovating, reconstructing, and building new facilities and for acquiring certain new equipment. To authorize such bond issuance, school districts can seek either two-thirds or 55% voter approval. If districts seek the 55% approval, as has been done by the District in this case, they must meet additional accountability requirements.

In order to meet these additional accountability requirements, the District Board of Trustees has committed to the following:

- use of bond proceeds shall be only for the purposes set forth in the ballot measure, and not for any other purpose, such as teacher and administrator salaries and other college operating expenses;
- college affordability, safety, university transfer, job training, enrollment trends, class size reduction,

class availability, information technology and technical job training facilities of the District have been evaluated prior to determining that bond issuance was necessary;

- annual independent performance audits will be conducted to ensure that the bond proceeds are expended only for the projects in the ballot measure;
- annual, independent financial audits of the expenditure of the bond proceeds will be conducted until all bond proceeds have been expended, and;
- a Citizens' Oversight Committee will be established to monitor expenditure of bond proceeds.

The District has confirmed that the proposed bonds would bear interest at a rate not exceeding the statutory limit per annum and the maturity of the bonds will not exceed the statutory maximum.

A "YES" vote on this Measure would authorize the District to borrow money through the sale of bonds in an amount not exceeding \$350,000,000, such bonds to be repaid by revenue derived from an annual tax levied upon the taxable property within the District.

A "NO" vote on this Measure is a vote against authorizing the sale of bonds by the District.

This analysis is submitted by the Office of the County Counsel of Placer County pursuant to the requirements of Section 9500 of the Elections Code of the State of California.

Gerald O. Carden, County Counsel

## ARGUMENT IN FAVOR OF MEASURE E

Sierra College is a community asset that provided affordable and cost-effective education for local students.

The last bond measure passed for Sierra College was in 1957 when it had less than 1,500 students. Today over 22,000 students are being educated at Sierra College. But many of its classrooms are in 50-year-old buildings that need to be repaired and upgraded to meet current standards and safety codes.

Measure E will help Sierra upgrade science, math, engineering, technology and vocational education classrooms - **improving and expanding facilities for training our local police, firefighters, paramedics and nurses** and expanding much needed **Veterans services and programs**.

Measure E will protect taxpayers **by prohibiting the State from taking the funds and spending them elsewhere** and by requiring **annual audits and citizen/taxpayers oversight** of how funds are spent.

Measure E protects taxpayers by **prohibiting funds from going to administrators' salaries, pensions or benefits**.

Vote YES on Measure E to allow Sierra College to **maintain and repair 50-year-old buildings so they can continue to be used for another 50 years**.

Vote YES on Measure E to **keep higher education affordable** for local students.

Vote YES on Measure E to allow Sierra College to **train more local Police, Firefighters, Paramedics and Nurses**.

Vote YES on Measure E to allow Sierra College to **expand Veteran's services** and programs.

Sierra College is a treasured asset to our community. It provides an **affordable and cost-effective education for local students**, trains our local public safety and health care professionals and provides challenging, high-quality learning experiences for active adults. **For less than \$5 per month on average**, you can help make sure Sierra College continues to meet our needs in the future.

It's "E for Education." Please join us and **vote YES on Measure E**.

## REBUTTAL TO THE ARGUMENT IN FAVOR OF MEASURE E

Measure E is the largest property tax increase in Sierra College's history, but the proponents don't even mention that. **How stupid do they think you are?** With interest, Measure E will cost taxpayers well over \$700,000,000 - at a time when tax revenues are already breaking previous records.

Measure E is unnecessary, unaffordable, and irresponsible. The technology upgrades and facilities improvements funded by this bond will be obsolete and needing replacement long before it is paid off - and then they will demand yet another tax increase. Now is the time to say NO MORE! Tell them to live within their means and stop raising taxes.

The gigantic size of this bond is difficult to comprehend, but we will try to illustrate it: Paying off \$700,000,000 in principal and interest will cost taxpayers well over \$3,200,000 for each full-time faculty member. If you also include part-time faculty members who teach as little as three hours per week, it is still over \$800,000 per instructor. Instructors share classrooms, so this bond's

cost per classroom could exceed \$10,000,000. No amount of technology upgrades could be worth that price, especially if they're obsolete decades before this bond is paid off!

It would be far cheaper and more convenient if Sierra College rented a few of the empty offices in Placer County that have already been upgraded with the most modern technology. Many students would also prefer on-line classes and lower taxes.

VOTE NO on Measure E. We cannot afford it!

## ARGUMENT AGAINST MEASURE E

Measure E is a MASSIVE PROPERTY TAX INCREASE that we cannot afford. This enormous tax increase comes at a time when tax revenues and government spending have broken all previous records. The last thing we need is higher taxes and more debt!

*(Proposition 13 will not protect us from this tax increase if voters approve it.)*

It is immoral and reckless to leave our children and grandchildren burdened with irresponsible debt for deferred maintenance and technology upgrades that should have been funded with current revenues. The technology upgrades that this bond will supposedly fund will be obsolete long before the bond debt is paid off.

**Today's Sierra College students will still be paying for this extravagant bond long after their own children have graduated.** This is fiscally irresponsible!

The college officials behind this bond have created a misleading list of construction projects that might be funded by this bond, but the legally-binding fine print says they cannot guarantee that everything listed will be completed. These officials admit that some projects may

require matching state funds, but they already know that no state funds have been approved for this purpose. Don't be fooled again by this dishonest bait-and-switch routine!

Remember that bonds increase property taxes on homeowners, while indirectly increasing monthly rent for renters. Higher property taxes hurt everyone. Once issued, bonds can never be cancelled. Bonds can only be repaid ... with interest.

VOTE NO on Measure E. We cannot afford this enormous bond!

## REBUTTAL TO THE ARGUMENT AGAINST MEASURE E

DON'T BE FOOLED! Measure E is NOT a "massive property tax increase" as opponents claim.

FACT: Measure E will cost just 1.7 cents per \$100 of assessed value - that's less than \$5 per month for the average homeowner.

FACT: TAXPAYERS SUPPORT Measure E because it prohibits the state from taking the funds and spending them elsewhere.

FACT: TAXPAYERS SUPPORT Measure E because it requires annual audits and citizen/taxpayers oversight of how funds are spent.

FACT: Measure E funds will help build a new Public Safety Center, Science Building, Instructional Building and Veterans Center, build and improve facilities for job training in technology, engineering, nursing and health sciences.

FACT: Measure E funds will also be spent to upgrade older buildings - some of which are 60 years old - to

current codes and standards to permit their continued use. That's good conservative stewardship!

The last bond measure passed for Sierra College was in 1957 when it had less than 1,500 students. Today over 22,000 local students are being educated at Sierra College, many in 60-year-old buildings that need to be repaired and upgraded to meet current standards and safety codes.

Many of our local Nurses, Firefighters, Police and Sheriffs are trained at Sierra College, as are thousands of Veterans looking to re-enter the workforce after their service. At a cost of less than \$5 per month, Measure E keeps Sierra College as an affordable choice for local students seeking a college education.

VOTE YES on E!

## FULL TEXT OF MEASURE E SUBMITTED BY THE DISTRICT

### PROJECTS

The Board of Trustees of the Sierra Joint Community College District, to be responsive to the needs of its community, evaluated Sierra College's Rocklin Campus' **older buildings** and critical facility needs, and its capacity to provide students, military **Veterans** with support and **job training** facilities, and an **affordable education** to prepare them for success in **college** and careers. Veteran's support, **job training** and college transfer facilities, safety issues, class size and offerings, and information and computer technology were each considered in developing the scope of projects to be funded. In developing the scope of projects, basic repairs, **workforce job training** facilities, campus safety, facilities supporting Veterans, and the expansion of opportunities for local students to receive an affordable, quality education, were **prioritized**. If these facility needs are not addressed now, Sierra College would be unable to remain competitive in preparing students for jobs in high demand industries and **university transfer**. - (vi) **Adhere to stringent fiscal accountability safeguards including:**
  - (a) **All expenditures will be subject to annual independent financial audits,**

**5. FISCAL ACCOUNTABILITY. THE EXPENDITURE OF BOND MONEY ON THESE PROJECTS IS SUBJECT TO STRINGENT FINANCIAL ACCOUNTABILITY REQUIREMENTS. BY LAW, PERFORMANCE AND FINANCIAL AUDITS WILL BE PERFORMED ANNUALLY, AND ALL BOND EXPENDITURES WILL BE MONITORED BY AN INDEPENDENT CITIZENS' OVERSIGHT COMMITTEE TO ENSURE THAT FUNDS ARE SPENT AS PROMISED AND SPECIFIED. ## TAX RATE STATEMENT PREPARED BY THE DISTRICT

### TAX RATE STATEMENT REGARDING PROPOSED \$350,000,000 SIERRA JOINT COMMUNITY COLLEGE DISTRICT SCHOOL FACILITIES IMPROVEMENT DISTRICT NO. 4 (ROCKLIN AREA CAMPUS) GENERAL OBLIGATION BONDS

An election will be held in the Sierra Joint Community College District School Facilities Improvement District No. 4 (Rocklin Area Campus) (the "District") on June 5, 2018, to authorize the sale of up to \$350,000,000 in bonds of the District to finance improvements to educational facilities as described in the measure. If such bonds are authorized and sold, principal and interest on the bonds will be payable only from the proceeds of *ad valorem* tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400-9404 of the Elections Code of the State of California. Such information is based upon the best estimates and projections presently available from official sources, upon experience within the District, and other demonstrable factors.

Based upon the foregoing and projections of the District's assessed valuation, the following information is provided:

1. The best estimate of the average annual tax rate which would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on a projection of assessed valuations available at the time of filing of this statement, is \$0.017 per \$100 of assessed valuation (or \$17 per \$100,000 of assessed value).
2. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on a projection of assessed valuations available at the time of filing of this statement, is \$0.017 per \$100 of assessed valuation (or \$17 per \$100,000 of assessed value). It is estimated that such rate would be levied starting in fiscal year 2018-19 and following.
3. The best estimate of the tax rate that would be required to be levied to fund the bonds during the last fiscal year after the last sale of the bonds, based on estimated assessed valuations available at the time of filing of this statement, is

\$0.017 per \$100 of assessed valuation (\$17 per \$100,000 of assessed valuation) in fiscal year 2058-59.

4. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all the bonds are issued and sold is approximately \$685 million.

Voters should note the estimated tax rate is based on the assessed value (not market value) of taxable property on the County's official tax rolls. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only, which amounts are not maximum amounts and are not binding upon the District. The actual debt service, tax rates and the years in which they will apply may vary from those used to provide the estimates set forth above, due to factors such as variations in the timing of bond sales, the par amount of bonds sold and market interest rates available at the time of each sale, actual assessed valuations over the term of the bonds, and other factors. The date and amount of bonds sold at any given time will be determined by the District based on the need for project funds and other considerations. The actual interest rates at which the bonds will be sold will depend on conditions in the bond market at the time of sale. Actual future assessed valuations will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

# HOW TO FILL OUT YOUR BALLOT

Completely darken the oval next to the candidate's name with **blue or black ink**.

---

If you are voting for a qualified write-in candidate, you must complete the oval next to the blank line AND write the name of the candidate on that line. **Unless both of these steps are completed, your vote for a write-in candidate cannot be counted.**

---

Remember to vote both sides of the ballot if both sides are printed.

---

**DO NOT make partial marks** when you make your selections. X marks, check marks and other kinds of partial shading on the ovals is not the right way to fill out your ballot.

---

## Did you make a mistake marking your ballot?
