

**STATEMENT OF CANDIDATE FOR
FORESTHILL FIRE PROTECTION DISTRICT**

Name: JOHN MICHELINI

Occupation:

Education and Qualifications:

I have been honored to serve as the Board President for the last four years. During my time on the Board, I have introduced a new more transparent and easier to understand budget process. I have worked hard to improve the fiscal stability of the Fire District while balancing necessary purchases of new fire and ambulance vehicles and equipment. We have increased the compensation and benefits of your firefighters as promised and provided highly transparent and accessible board meetings. I work long hours to make sure the community is informed during local emergencies on both social media and our new emergency alert radio station. I would appreciate your vote so I can continue to represent our community's interest in fire district matters.

**STATEMENT OF CANDIDATE FOR
FORESTHILL FIRE PROTECTION DISTRICT**

Name: RICHARD HERCULES

Occupation: Foresthill Fire Protection District Board Member

Education and Qualifications:

As a fully active Fire District board member, I have brought modernization, procedural structure and new technologies to the district, resulting in improved communications and emergency response capabilities and more efficient management of assets and expenses. The district now enjoys a balanced budget. The district is now an active public communicator, utilizing social media, AM radio and local forums instead of being only a reactionary organization. The short and long-term goals of the district for 2021-2022 have been met for the benefit of Foresthill. I am thankful for the support and the increased participation by Foresthill residents, who responded when the district requested assistance for special projects and programs. I have engaged the community to participate in policy- and decision-making panels that affect district operations for medical emergency and fire suppression services.

I am committed to ensuring that Foresthill Fire Protection District remain an independent agency. My background and 20-plus years of successful governance and management of companies' operations, assets, labor, and fiscal controls have been a great match for the challenges of our fire district.

I would very much appreciate your vote to continue serving the Foresthill community.
