

**STATEMENT OF CANDIDATE FOR**

**LOOMIS UNION SCHOOL DISTRICT, TRUSTEE AREA 4**

**Name: MENDI CHADWICK**

**Occupation: Parent**

**Education and Qualifications:**

I am a mother of four children who have all attended school in the Loomis School District. My oldest just graduated from Del Oro, my second is in her sophomore year, and my two youngest are still attending Placer Elementary. I have spent many years actively volunteering in the schools and working in the classroom with students and alongside teachers. Making sure our children are attending school in person and learning from quality, politically neutral, academic material is my priority. I am a staunch advocate of parental rights, and believe the District should function independently, with student academic achievement as its singular goal. I would like to continue helping our district be the best it can be and ask for your vote.

**STATEMENT OF CANDIDATE FOR**

**LOOMIS UNION SCHOOL DISTRICT, TRUSTEE AREA 4**

**Name: TODD WILSON**

**Occupation: Incumbent/Attorney/Parent**

**Education and Qualifications:**

I serve on the Loomis Union School District Board of Trustees, representing Area 4, currently as Board president. I am both proud and thankful that my children attended LUSD K-8 schools, which has contributed to their success now at UC Davis and Del Oro High School. Our family has lived in Loomis for over 26 years. I have also held board positions for various local recreational and charitable organizations.

I am fiscally conservative as a Trustee, applying 30 years of business and legal experience to ensure good stewardship of tax dollars allocated to district schools. Our Board collaborates with community, teachers, and administrators to maintain our solid curriculum along with enhancements such as Spanish, visual and performing arts, STEM and PE programs. Our Board is high functioning, which is positively reflected in student outcomes, the value placed on our schools in the community and the reputation of our district. We have been fiscally responsible, while managing through disruptions due to smoke, power outages and COVID-19 on our schools. We managed the district through the departure of our long-time superintendent and the hiring of an excellent replacement.

I look forward to continuing as the LUSD Trustee for Area 4.
