We have one of the premier fire districts in California, and our medical and fire-fighting professionals are just that, professionals. Through strategic planning, careful budgeting, and efficient operating practices we have been able to maximize our funding, thereby continuing to provide top notch service. I am committed to working diligently to retain fiscal stability in light of on-going costs increasing faster than revenues. We must remain dedicated to maximizing our resources, continuing training for staff, and maintaining our facilities in prime condition. Our tax revenues continue to be unpredictable, therefore, strong budgeting skills and leadership are paramount. I bring those skills to the position.</p> <p>I have spent 36 years working with and for California public agencies in planning, finance and facilities arenas, and the last 18 as a local, small business owner.</p> <p>I request your vote so that I may continue to serve the residents of South Placer.</p>	<p style="text-align: center;"><b>STATEMENT OF CANDIDATE FOR SOUTH PLACER FIRE PROTECTION DISTRICT, DIVISION 2</b></p> <p><b>Name: TRACY RANDALL</b> <span style="float: right;"><b>Age: 49</b></span></p> <p><b>Occupation: 29 Year Career Firefighter</b></p> <p><b>Education and Qualifications:</b></p> <p>I'm a 28-year veteran of the fire service. I started my fire career in 1994 and became a paramedic in 1996. My career started right here in the South Placer Fire District, from 1994 till 1999 as a reserve firefighter. In 1999 I moved to the City of Folsom Fire Department where I will be retiring in the beginning of 2023. During my time with Folsom, I have been involved in Labor and Management relations, budgeting processes and working hand in hand with City Management and City Council. Even though I am retiring from the fire service I still want to help make a difference in our community. I have always felt that Granite Bay and South Placer are still my home and that is why I chose to move my Family back to the community we love so much. My goal is to help South Placer Fire District remain Solvent and Fiscally Responsible for generations to come.</p>

We found the quality of life to be extraordinary, the schools exceptional [the boys both went K through 12 here] and the business community vibrant. I would like to serve as a member of the board of the South Placer Fire District as someone who wishes to help maintain, even improve our district. Not necessary to explain why fire and emergency services are so important right now. My experience of living in this area, and years of business management experience, experience,could make a real contribution. In business, one must think clearly, decide quickly, and follow through. I would bring my life experiences and a solution minded attitude to the board.</p> <p>I am asking for your vote.</p> <p>Thank you</p>
