

**STATEMENT OF CANDIDATE FOR
TRUCKEE SANITARY DISTRICT**

Name: PHIL FAY

Age: 49

Occupation: Founder & Logistics Manager of DesignBar

Education and Qualifications:

I am running for Truckee Sanitation District because I wish to apply my experience in wastewater treatment for the greater public interest and Truckee/ Tahoe community by serving on the TSD Board.

My experience working for several years at a local wastewater treatment plant and 15 years as a project manager in international logistics gives me the background to best represent the people of Truckee/ Tahoe on this board. I believe TSD should be doing more to support full time locals while taking a proactive stance to protecting our pristine environment.

As a local small business owner, I am engaged and established in our community and hope to continue to provide positive investments that meet the needs of our residents, and our treasured natural resources. I will bring the power of fresh eyes and a new perspective to the table.

I am the right candidate to represent you on the TSD board, your support is greatly appreciated.
