WHEREAS, the Board of Directors (the "Board") of the Foresthill Fire Protection District (the "District") is authorized and charged to provide emergency response and fire protection services; and

WHEREAS, the Board of the Foresthill Fire Protection District has determined that it is in the best interest of the District's citizens to prevent significant service cutbacks and provide the appropriate level of fire protection and emergency medical response services for our community; that the cost to maintain such adequate levels of service is beyond the reach of the District absent this proposed special tax, and that this tax is therefore necessary for public protection and public safety; and

WHEREAS, the Board has also determined that it is in the best interest of the community to seek voter approval, which will require approval by two-thirds voters voting thereon, for the proposed special tax in order to be able to maintain appropriate fire protection and emergency medical response services; and

WHEREAS, if approved by the voters, the special tax will be used solely for the purpose of providing fire protection and emergency medical response services within the District; and

WHEREAS, if this special tax is approved by the voters, the District may exceed the appropriations limit as previously established for the District in accordance with the provisions of Article XIII B of the California Constitution; and

WHEREAS, Sections 9160 and 9313 of the Elections Code authorize the filing of an impartial analysis, and Section 9600 et seq. of said code authorizes the filing of written arguments for or against any ballot proposition and rebuttal arguments.

**FULL TEXT OF SPECIAL TAX MEASURE
FORESTHILL FIRE PROTECTION DISTRICT PARCEL TAX
FOR FIRE SUPPRESSION, PROTECTION AND
EMERGENCY MEDICAL RESPONSE SERVICES**

The Foresthill Fire Protection District is responsible for fire protection and emergency medical response services to the rural areas within Placer County encompassing just over 6,900 residents, covering 500 square miles.

In order to maintain prompt local fire protection and emergency medical response services within Foresthill Fire Protection District, to maintain current fire station staffing, and to ensure firefighters are available to respond to all emergencies, to keep property insurance rates manageable, and to adequately train and equip firefighters, the District proposes to levy a special tax on each taxable parcel of land within the District at the annual rate of \$240.37 per parcel.

To ensure the District can continue to serve the residents within its jurisdiction as costs increase through inflation, periodic adjustments to the tax rate may be necessary. Such annual adjustments may not be adopted more frequently than once in any twelve (12) month period. Annual adjustments shall be limited to a percentage increase equal to the Consumer Price Index for the West Region and shall under no circumstances be greater than two and six tenths percent (2.60%). Annual adjustments shall require two-thirds approval of the District Board at a regular meeting following a duly noticed public hearing.

Taxable parcels are those parcels that appear on the annual secured Placer County property tax roll and are billable for Foresthill Fire Protection District services.

The purpose of this parcel tax will be to ensure continued local fire suppression and protection as well as rapid emergency response services for all residents, employees, and visitors in the District. The revenues raised by this special tax will only be used to defray operating expenses and capital improvement expenditures to accomplish the foregoing purposes.

If the special tax is approved by two-thirds of the voters voting on the measure, the District's appropriations limit will be increased by the amount of this voter-approved tax.

The special tax revenues shall be deposited into a separate account for exclusive use by the Foresthill Fire Protection District, in accordance with Government Code Section 50075.1, and shall be expended by the District according to a plan developed annually by the District's staff and approved and adopted by the District's Board of Directors.

The District will cause to be filed an annual report with its Board of Directors, which report shall include the amount of special tax revenues collected and expended, and which shall otherwise comply with the accountability measures established in Government Code Sections 50075.1 et seq.

Any property owner who is assessed a special tax as provided for herein may appeal any determination by the District concerning the nature of the use of the property or the calculation of the amount of the tax by filing a notice of appeal with the District offices. Any such appeal shall be filed by December 1st of the calendar year for which the tax is levied. The appeal shall be filed

on the form provided by the District and shall contain a statement by the property owner as to the nature and basis for the appeal in accordance with the District's appeal procedure.
