

CANDIDATE GUIDELINES

GENERAL ELECTION

NOVEMBER 3, 2020

PREPARED BY THE PLACER COUNTY ELECTIONS OFFICE
RYAN RONCO CLERK-RECORDER-REGISTRAR OF VOTERS

What to Expect When Filing

The process for filing for elected offices this election will look slightly different as we learn to navigate through the ever-changing environment around us with COVID-19. Due to current guidelines, social distancing, and wanting to maintain safe and healthy conditions for our staff and the public, we are encouraging the following processes:

1. Fill out the Candidate Filing Packet. This form can be found on the Elections website or by calling or emailing the office to have it sent to you electronically or by mail. This paperwork must be completed prior to your appointment time.
2. If filing for municipal utility district you will need to set up an appointment to receive the Nomination Petition in our office (at which time you will also receive the candidate filing packet, with the exception of the Declaration of Candidacy which will be completed in the office the day of filing).
3. Watch the tutorial videos on how to complete the forms. These are available on the Elections website.
4. If necessary, contact our office via phone or email for help completing the forms.
5. Candidate Services can preview your paperwork electronically by submitting them along with an email requesting to review for completeness.
6. Set up an appointment time to submit the filing paperwork and complete and sign the Declaration of Candidacy. Appointments can be made on our website, by email, or by phone request. We are here for you. Please anticipate spending 20-30 minutes minimum processing the paperwork.

Candidates filing for city offices will file with their respective city.

Required Forms:

- Candidate Worksheet
- Declaration of Candidacy (must be signed in-person or in front of a notary)
- Nomination Petition Papers (when applicable)
- Ballot Designation Worksheet

All candidate filing documents with **original signatures** must be received in our office on or before the close of candidate filing, whether by mail or in person, in order to be included on the ballot for the November 3, 2020 General Election. The deadline for candidate filing is 5pm on August 7, 2020. If the incumbent fails to file then the filing for that office extends to August 12, 2020 for everyone except the incumbent (this does not apply for those offices where the incumbent has termed out of office).

Primary and General Elections

Primary Elections

California saw a change in its primary system with the passage of Proposition 14 at the June 8, 2010 Gubernatorial Primary Election. Proposition 14 (also known as the Top Two Candidates Open Primary Act) created a primary in which voters rather than parties nominate candidates to run in the general election. In this primary system, candidates may choose whether to list their party preferences on the ballot. Voters will receive a ballot including all the candidates for the voter-nominated races, regardless of party preference. The top two vote-getters in the primary election will appear on the general election ballot. At that time, voters will choose which candidate holds office. The Top Two Candidates Open Primary Act affects most state and federal offices with the exception of the state superintendent of public instruction and the United States president.

In Placer County, elected officials for county and judicial offices are elected during a primary election. Because these are nonpartisan offices, the party preferences of the candidates and the voters are not relevant to the races. All registered voters living in the district are eligible to vote for the office. If none of the candidates receive a simple majority, the two candidates with the highest number of votes will run off in the general election. Similarly, local measures may appear on primary election ballots and all registered voters living in the applicable district may vote in those contests regardless of party preference.

General Elections

During the general election, voters choose their elected officials from the candidates who were nominated in the primary. The candidate receiving the highest number of votes in the general election will serve in the office for which he or she filed.

Voters also elect representatives for their local districts in the general election. These offices will only appear on the ballot if the number of candidates exceeds the number of seats available. If the district race appears on the ballot, the candidates with the highest number of votes will be elected to fill the vacant seats. If a district office does not have more candidates than there are seats to be filled, the candidates will be appointed in lieu of election and the office will not appear on the ballot.

State propositions and local measures may appear on general election ballots. In the case of local measures, all registered voters living in the applicable district may vote in those contests regardless of party preference.

Incompatibility of Offices

The California Elections Code prohibits candidates from filing for more than one district office or term of office for the same district or for more than one school district office (including community college districts and county boards of education) in the same election. There may also be instances in which offices are considered incompatible, even though the Elections Code does not prohibit a candidate from filing for multiple offices. If elected to incompatible offices, a candidate must resign from all but one of those incompatible offices. [E.C. Sec. 10510 (b), 10603 (c)]

The California State Legislature passed Senate Bill 274 in 2005 to codify the common law definition of incompatible offices. This senate bill created Government Code Section 1099, which lists the circumstances under which two public offices are deemed incompatible. These circumstances include one office having the authority to audit, overrule, or exercise supervisory powers over the other; the possibility of a significant clash of duties or loyalties; or public policy considerations that make it improper for one person to hold both offices. This law does not prohibit a candidate from filing for a public office that conflicts with one already held by the candidate. However, if the candidate is elected to the second office, that candidate is deemed to have forfeited the first office. [Gov. Code Sec. 1099]

The Office of the California Attorney General has issued many opinions on specific compatibility questions. Here are four examples of incompatible offices:

- The offices of city council member and school district board member when the city and the school district share territory in common;
- The offices of high school district trustee and trustee of an elementary school district that is wholly contained within the geographic boundaries of the high school district;
- The offices of a water district director and a city council member; and
- The offices of a water district director and a school district trustee when the two districts share territory in common.

If you have questions about the incompatibility of offices please call the Attorney General's Office at 916-210-6276 or 800-952-5225, or visit their website at www.oag.ca.gov.

Candidate Qualification Information

Anyone seeking to hold office must meet certain qualifications. While there are minimum requirements that apply to every office, some offices may require additional qualifications. Candidates are responsible for determining if they are eligible to hold public office. The Elections Office will provide information regarding the qualifications to hold specific offices to interested individuals and will verify the candidates' qualifications to the best of its ability.

General Qualifications to Run for and Hold Public Office

Age / Citizenship

A person is ineligible to hold an elective civil office if, at the time of election or appointment they are not at least 18 years of age and a citizen of the state. [Gov. Code Sec. 1020]

Registered Voter / District Resident

Unless otherwise specifically provided, no person is eligible to be elected or appointed to an elective office unless that person is a registered voter and otherwise qualified to vote for that office at the time nomination papers are issued to the person or at the time of the person's appointment. [E.C. Sec. 201]

Conviction of Crimes

A person is disqualified from holding any office upon conviction of designated crimes as specified in the Constitution and laws of the State. [Gov. Code Sec. 1021]

Filing for More than One Office

No person may file nomination papers for more than one office at the same election. [E.C. Sec. 8003 (b)]

Voter-Nominated Races

Candidates for voter-nominated races are not required to belong to a party. However, these candidates will have to list the past 10 years of their party preference on the ballot as listed on their voter registration form. [E.C. Sec. 8002.5]

Filing for Office

All candidates are required to complete the nomination process to have their names placed on the ballot. Candidates should pay close attention to filing deadlines, as they cannot be waived under any circumstances. Nomination papers for the Presidential General Election must be filed by 5:00 PM on the last day of candidate filing, August 7, 2020. If an incumbent fails to file, the candidate filing period extends for all other individuals until August 12, 2020.

Nomination Process

Where to Obtain Documents

Candidate filing papers are obtained from the Elections Office. Due to COVID-19, social distancing, and to help ensure candidates and our staff stay healthy we have changed our filing processes for this election. In an effort to provide no-contact filing for our candidates, a fillable candidate filing packet with tutorials will be available on our website at www.placerelections.com. The candidate or the candidate's representative may contact the Elections Office to receive these documents by email, mail, or by appointment. The Elections Office can be reached at (530) 886-5650 during regular business hours or by email at election@placer.ca.gov.

Filing Log

When a candidate has been issued nomination papers, they will be entered into the filing log. The filing log contains the candidate's name, address, telephone number, and which documents have been issued and filed. This information may be provided to the press and the public.

Authorization for Candidate's Representative

A candidate may authorize another individual to obtain or deliver nomination papers on the candidate's behalf. A candidate's representative must have written authorization that is signed by the candidate. The candidate's signature will be verified before any nomination papers are issued. The authorization must contain the following information:

- The name of the candidate;
- The office the candidate is seeking;
- The candidate's contact information (i.e., address and telephone);
- The candidate's residential address;
- A statement that the candidate is aware of the candidate filing deadlines; and
- The candidate's original or "wet" signature [E.C. Sec. 8028 (b)]

Nomination Document Overview

Declaration of Candidacy

The Declaration of Candidacy is the document on which a person declares himself or herself a candidate for a particular office, provides a ballot name and use of that ballot designation, provides a residential address and telephone number(s), and states that he or she is qualified for the office and will not withdraw from the race. [E.C. Sec. 8028, 8040]

Ballot Designation Worksheet

The Ballot Designation Worksheet is mandatory for any candidate wishing to have an occupation appear on the ballot. It allows candidates to support the occupational ballot designation that they request. Candidates will also be able to use this form to provide alternate ballot designations in case the proposed designation is determined to be unacceptable. [E.C. Sec. 13107, 13107.3, 13107.5]

Nomination Petition

A circulator obtains signatures nominating an individual to run for office on the Nomination Petition. [E.C. Sec. 8041]

Candidate Statement of Qualifications

The Candidate Statement of Qualifications is a voluntary statement that a candidate may publish in the county voter information guide at the candidate's expense. It is subject to word count limits and may only contain information about the candidate publishing the statement. [E.C. Sec. 13307, 13307.5, 13308]

Code of Fair Campaign Practices

The Code of Fair Campaign Practices is a voluntary document that candidates may sign and file to indicate they intend to follow campaign practices based upon principles of decency, honesty, and fair play. Elections Code Section 20400 states, "The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths and distortions." [E.C. Sec. 20400, 20440]

When to File

Candidate filing for the November 3, 2020 General Election begins July 13, 2020 and ends August 7, 2020. If an incumbent fails to file, candidate filing is extended until August 12, 2020 for candidates other than the incumbent. Nomination papers must be filed by 5:00 PM on the last day of candidate filing. The extension does not apply if the incumbent was unable to file for candidacy due to term limits. [E.C. Sec. 8020, 8022, 8024]

When the candidate is prepared to complete the filing process, an elections deputy must witness the signature. If a candidate is out of town during the candidate filing period, the signature may be witnessed by a notary public. The Declaration of Candidacy must be witnessed by the elections deputy or a notary in order to be valid. [E.C. Sec. 8028, 8040]

Note: Per California Governor's Executive Order, for the November 3, 2020 General Election any document that requires an oath by the candidate may be executed via online video conferencing service for this election. **All candidate filing documents with original signatures must be received in our on or before the close of candidate filing, whether by mail or in person, to be placed on the ballot for the November 3, 2020 General Election. (Postmark and/or observing signatures via remote accessibility do not count as on-time submissions)**

Withdrawal from Candidacy

No candidate for a special district, school district, or municipal office shall withdraw a declaration of candidacy after the close of candidate filing. [E.C. Sec. 8800-8801, 10224-10225, 10510, 10516, 10603-10604]

Declaration of Candidacy

The Declaration of Candidacy (DOC) is the form that makes an individual a candidate and is required for all elective offices. The candidate also uses this form to provide information necessary for the candidate to appear on the ballot.

Ballot Name

On the DOC, the candidate writes how his or her name will appear on the ballot. The candidate cannot change the ballot name after the candidate filing period has closed. A candidate may use the following variations of his or her name:

- First and last name;
- First, middle, and last name;
- Initials only and last name;
- A nickname may be included, but must be in quotation marks; or
- A familiar version of the first name, such as Bill for William or Sue for Susan
- Character-based name

If a candidate changes his or her name within one year of the election, the new name can appear on the ballot if the change was made by marriage or a decree of any court of competent jurisdiction. [E.C. Sec. 13104]

A candidate may not use a title or degree either before or after the ballot name. For example, a candidate can list his name as “John Doe,” but not “Dr. John Doe” or “John Doe, M.D.” [E.C. Sec. 13106]

Occupational Ballot Designation – SB 235

Candidates have the option to list their occupations below their names on the ballot. If a candidate chooses not to list an occupational ballot designation, that line will remain blank. If a candidate chooses a ballot designation, the designation should describe an individual (e.g., accountant) and not the industry in which the individual works (e.g., accounting). The ballot designation cannot be changed after the close of candidate filing. Guidelines for the ballot designation are set forth in Elections Code Section 13107 and the California Code of Regulations.

Candidates may use the following ballot designations:

- Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which he or she was elected by vote of the people. The candidate may use the word “incumbent” if they are running for the same office that he or she holds at the time of filing nomination papers and was elected by the vote of the people.
- The phrase “appointed incumbent” if the candidate holds an office by virtue of appointment and the candidate is a candidate for the same office, or, if the candidate is a candidate for election to the same office or to some other office. The word “appointed” and the title of the office may be used. In either instance, the candidate may not use the unmodified word “incumbent” or any words designating the office unmodified by the word “appointed” (the term “appointed incumbent” shall not be required of a candidate who was appointed in lieu of election).
- No more than three words designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year preceding the filing of the nomination documents. All California geographical names shall be considered one word. Hyphenated words that appear in any generally available standard reference dictionary (published in the United States at any time within the 10 calendar years immediately preceding the election) shall be considered as one word. [E.C. Sec. 13107(a)]

The ballot designation “Community Volunteer” may only be used if:

- The candidate’s community volunteer activities constitute the candidate’s principal occupation, profession, or vocation.
- The candidate is not engaged concurrently in another principal profession, vocation, or occupation.
- “Community Volunteer” is not used in combination with another profession, vocation, or occupation. [EC Sec 13107.5]

The Secretary of State has defined “Community Volunteer” as “a person who engages in an activity or performs a service for or on behalf of, without profiting monetarily, one or more of the following:

The California Code of Regulations can be found online at <http://ccr.oal.ca.gov> or by contacting the Elections Office.

- A charitable, educational, or religious organization as defined by the United States Internal Revenue Code Section 501(c)(3);
- A government agency; or
- An educational institution.”

The Secretary of State also stipulates that “the activity or service must constitute substantial involvement of the candidate’s time and effort such that the activity or service is the sole, primary, main, or leading professional, vocational or occupational endeavor of the candidate.” [E.C. Sec. 13107.5, CA Code of Regs. Sec. 20714.5]

The most common prohibitions on ballot designations are:

- Any designations that would mislead or confuse the voters;
- Any suggested evaluations, such as “outstanding,” “leading,” “expert,” “specialist,” or “eminent”;
- Words that indicate status, such as “activist,” “taxpayer,” “professional,” or “reformer”;
- Words indicating prior status, such as “former” or “ex-,” with the exception of the word “retired” (which must come before the word it modifies); or
- The name of any political party [E.C. Sec. 13107(e)]

The interpretation of Elections Code Section 13107 is governed by the California Code of Regulations. Elections staff can help candidates determine if their occupational ballot designations follow the guidelines set forth in the Elections Code and California Code of Regulations. However, our staff cannot choose or recommend designations for the candidate.

The Secretary of State’s office will have final approval of ballot designations for state and federal candidates. The County Registrar of Voters has jurisdiction over local candidates. If a ballot designation does not comply with the codes mentioned above, the candidate will be notified. Candidates may provide an alternative ballot designation within three business days of the notification. If no alternative ballot designation has been provided, no occupation will appear on the ballot. [E.C. Sec. 13107 (c)]

If a candidate appears on both the primary and general ballots, the ballot designation shall remain the same, unless the candidate requests a different ballot designation in writing at least 98 days prior to the general election. [E.C. Sec. 13107 (h)]

Ballot Designation Worksheet

The Ballot Designation Worksheet (BDW) is used by a candidate to support his or her choice of ballot designation and provide alternates to be used if his or her ballot designation is determined to be noncompliant with the Elections Code.

When to File

The BDW is filed at the same time as the DOC. [E.C. Sec. 13107.3 (b)]

When Required

The BDW is required if a candidate wishes to have a ballot designation appear under his or her name on the ballot. If the candidate fails to file the BDW, he or she will not have a ballot designation on the official ballot. [E.C. Sec. 13107.3 (c)]

Rejected Designations

If the candidate's proposed ballot designation is rejected and the alternate ballot designations provided on the BDW do not comply with the Elections Code, the candidate will be notified by certified mail and given three days to choose another ballot designation. [E.C. Sec. 13107 (f)]

Nomination Petition

Some elective offices require candidates to collect nomination signatures in order to appear on the ballot. The number of signatures that are required depends upon the office that the candidate is seeking. Nomination signatures are collected and filed during the candidate filing period. The Elections Office will issue enough petition sections to collect the minimum number of nomination signatures required. If the candidate would like additional sections, he or she may make double-sided copies of one of the petitions provided by the Elections Office. [E.C. Sec. 8020, 8062]

CITIES OFFICE	MINIMUM NUMBER OF SIGNATURES REQUIRED	MAXIMUM NUMBER OF SIGNATURES PERMITTED
City of Auburn	20	30
City of Colfax	5	10
City of Lincoln	20	30
Town of Loomis	20	30
City of Rocklin	20	30
City of Roseville	20	30
Sacramento MUD	10	20
South Placer MUD	10	20

Multi-County Offices

If the candidate is seeking a multi-county office, it is important that each petition section contains signatures from voters who are registered in the same county. The Placer County Elections Office is unable to verify signatures of voters who reside in other counties. If we receive a nomination petition with signatures of voters who reside in Sacramento County, for example, we have to deem those signatures invalid because we are unable to verify the voters' information. Therefore, signatures need to be filed with the county of residence of the signers. [E.C. Sec. 8063]

Qualifications for Signers

A signer must be a registered voter in the district or political subdivision in which the candidate is running. If an office is nonpartisan or voter-nominated, any voter in the district may sign the nomination petition regardless of party preference. [E.C. Sec. 8068]

When a voter signs the petition, he or she needs to include:

- Printed full name (if we cannot read the handwriting or determine who the voter is, the signature is invalid);
- Residential address (PO boxes and mailing addresses invalidate the signature); and the
- Signature in his or her own handwriting (spouses and individuals with power of attorney may not sign for the voter).

Qualifications for Circulators

A person shall not circulate a state or local initiative, referendum, or recall petition or nominating paper unless the person is 18 years of age or older. [E.C. Sec. 102]

The circulator also needs to complete the “Affidavit of Circulator” located on the back of the nomination petition. The circulator must fill in the appropriate blank spaces in his or her own hand. The information needed includes the dates the signatures were obtained, their printed names and residential addresses, and signatures. Only one circulator is allowed per nomination petition section. If the “Affidavit of Circulator” is not completed, the Elections Office cannot file the nomination petition. [E.C. Sec. 104]

Candidate Statement of Qualifications

The Candidate Statement of Qualifications (CSQ) is an optional statement that candidates may file that will be sent to the voters in the voter information guide. If a candidate chooses to file a CSQ, they pay a fee that covers the cost of printing the statement. This statement gives candidates the opportunity to tell voters about themselves. The statement may include the candidate’s age, occupation, education, and a brief description of the candidate. [E.C. Sec. 13307]

Who may file

CSQ’s may be filed by candidates for statewide office, the State Board of Equalization, and the United States Senate for inclusion in the state voter guide, and by candidates for the House of Representatives, the State Legislature, and local offices for inclusion in the county voter information guide. [E.C. Sec. 13307, 13307.5, Gov. Code Sec. 85601]

Candidates for the House of Representatives and State Legislature

Proposition 34

Under the provisions of Proposition 34 adopted by voters in November 2000, all candidates for state constitutional and state legislative offices may agree to abide by voluntary expenditure limits. (These limits are adjusted in odd numbered years.) Only state candidates who accept the voluntary expenditure limits have the opportunity to publish a CSQ. Proposition 34 does not apply to candidates for House of Representatives. [Gov. Code Sec 85400]

Length

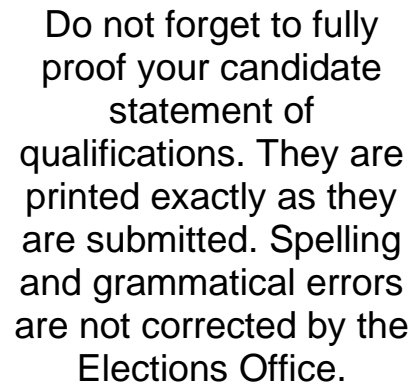

Candidates for the House of Representatives and State Legislature are permitted a maximum of 250 words. [E.C. Sec. 13307.5, Gov. Code Sec 85601]

Where to File

CSQ's are filed with the Elections Office.

Multi-County Districts

If there are two or more counties within a district's boundary, the candidate has the option to file a CSQ in all, some, or none of the counties. The candidate will need to file the CSQ with each county in which he or she would like it to be published. The candidate is not required to file an identical CSQ with each county. Because formatting guidelines (the use of bolding, bullets, capitalization, etc.) may differ among counties, candidates are encouraged to contact each county for guidelines, due dates, and a CSQ form.

Do not forget to fully proof your candidate statement of qualifications. They are printed exactly as they are submitted. Spelling and grammatical errors are not corrected by the Elections Office.

When to File

Candidates file the CSQ when they file their DOC. If a candidate is filing a CSQ with a different county, the CSQ needs to be filed with that county by 5:00 PM on the last day of candidate filing. For example, if a candidate for State Assembly, 6th District files his or her DOC in Placer County on July 13, he or she will need to file his or her CSQ in Placer County at the same time. However, they have until the end of candidate filing (August 7) to file a CSQ in the other counties in the State Assembly, 6th District. [E.C. Sec. 13307 (a) (2)]

A legislative candidate who is nominated by the voters in the primary election may file a CSQ for inclusion in the voter information guide for the general election. The last day to file the CSQ for the general election is August 7, 2020. [E.C. Sec. 13307 (a) (2)]

Cost of CSQ

Please see below for the cost to publish a CSQ in Placer County. If you wish to file a CSQ in another county, please contact that county for its cost.

The estimate of the CSQ fee is an approximation of the actual cost of printing and distributing the statement. The actual cost varies from election to election and may be significantly more or less than the estimate, depending on the actual number of candidates filing statements. If the cost of printing is different from the estimate, the candidate may be required to pay the difference or may receive a refund.

Withdrawal of Candidate Statement of Qualifications

A CSQ may be withdrawn, but not changed, during the period for filing nomination documents and until 5:00 PM of the next working day after the close of the candidate filing period. Because CSQs may not be changed, *it is strongly recommended that candidates thoroughly proof their statements before filing them.* The Elections Office must print the CSQs exactly as they are submitted. [E.C. Sec. 13307 (a) (3)]

Public Examination Period

The CSQ is confidential until the close of candidate filing, at which time the public examination period begins. The Elections Office will have copies of the candidate statements available for the public to view for 10 calendar days immediately following the close of candidate filing. Copies are available for \$0.50 for the first page and \$0.25 for each additional page.

⁵ Sierra Lakes County Water District allows both registered voters and landowners to vote. The estimated number of Placer County voters includes both registered voters and landowners.

During the public examination period, any voter in the district or the County Registrar of Voters may seek a writ of mandate or an injunction requiring any or all of the material in the CSQ to be amended or deleted. The writ of mandate or injunction request must be filed no later than the end of the 10-calendar-day period.

A peremptory writ of mandate or an injunction shall issue only upon clear and convincing proof that the material in question is false, misleading, or inconsistent with the requirements of the Elections Code. [E.C. Sec. 13313]

No Mention of Another Candidate

The CSQ may not be used to discuss the merits or demerits of another candidate. The candidate filing the CSQ may only discuss his or her own qualifications. Indirect references to other candidates are also prohibited. [E.C. Sec. 13308]

Printing Candidate Statements in Other Languages

A candidate may choose to have their CSQ translated and printed in Spanish, Tagalog, Korean, and/or Punjabi at their cost. The Elections Office is unable to accept translations provided by the candidate.

Formatting

CSQs must be printed in a uniform style. All CSQs will be set in a full-justified format. Generally, any characters that can be produced from a standard computer keyboard are acceptable. However, no paragraph or sentence may begin with a number or punctuation mark. Indentations or multiple underscoring will not be accommodated.

In order to avoid emphasizing words or phrases, **bolded**, CAPITALIZED, and underlined words or phrases are not acceptable if done to draw attention to the word or phrase in question. If quotations are used to quote an individual, the candidate must have written permission from the individual being quoted.

200-word CSQs are printed in a ¼ page space and 250-word CSQs are printed in a ½ page space. In order to fit within the space provided, items in a list will not be allowed unless the list is in paragraph form.

It is strongly recommended that CSQs not be handwritten. If the handwriting is illegible the Elections Office may need to interpret the handwriting. In such cases there is a possibility the CSQ may not be typeset and printed as the candidate intended.

Liability

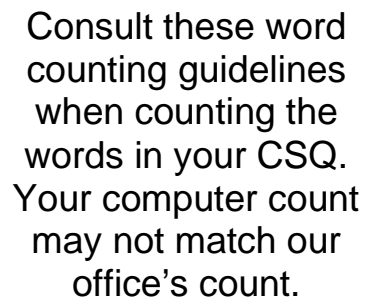

Nothing in the Elections Code shall be deemed to make any CSQ or the authors thereof free or exempt from any civil or criminal action or penalty because of any false, misleading, or libelous statements. [E.C. Sec. 13307 (e)]

Word Counting Guidelines

The guidelines listed below are used by the Elections Office for counting the number of words in a CSQ. Please consult these guidelines when counting the words in your CSQ. Your computer count may not match ours.

Name, age, and office title (located at the top of the form) are not counted.

9. (a) Counting of words, for purposes of this code, shall be as follows:
- (1) Punctuation is not counted.
 - (2) Each word shall be counted as one word except as specified in this section.
 - (3) All proper nouns, including geographical names, shall be considered as one word; for example, "City and County of San Francisco" shall be counted as one word.
 - (4) Each abbreviation for a word, phrase, or expression shall be counted as one word.
 - (5) Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.
 - (6) Dates shall be counted as one word.
 - (7) Any number consisting of a digit or digits shall be considered as one word. Any number which is spelled, such as "one," shall be considered as a separate word or words. "One" shall be counted as one word whereas "one hundred" shall be counted as two words. "100" shall be counted as one word.
 - (8) Telephone numbers shall be counted as one word.
 - (9) Internet and website addresses shall be counted as one word.
- (b) This section shall not apply to counting words for ballot designations under Section 13107. [E.C. Sec. 9]

Consult these word counting guidelines when counting the words in your CSQ. Your computer count may not match our office's count.

If the CSQ exceeds the word limit, the author will be asked to delete or change a sufficient number of words or sentences until the statement is within the required word limit.

Code of Fair Campaign Practices

Elections Code Section 20400 states the purpose of the Code of Fair Campaign Practices (the Code) is “to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths and distortions.” The Legislature’s ultimate intent is that the will of the voters be freely expressed by ensuring that candidates follow basic principles of decency, honesty, and fair play. [E.C. Sec. 20400]

Voluntary

Subscription to the code is voluntary and candidates for public office may not be required to subscribe to or endorse the code. When the elections official issues nomination documents to a candidate, the elections official will give that candidate a blank form containing a copy of the code to sign. The elections official will also inform the candidate that subscription to the code is voluntary. [E.C. Sec. 20440, 20444]

Public Record

Every code subscribed to by a candidate is public record. The elections official will accept completed forms that are properly subscribed to by a candidate at any time prior to the election. The forms will be kept for public inspection until 30 days after the election. The Placer County Elections Office places these forms at the counter for public viewing. [E.C. Sec. 20442, 20443]

Text of the Code

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold in order that after vigorously contested, but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues. [E.C. Sec. 20440]

THEREFORE:

“(1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties which merit this criticism.

“(2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.

“(3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on a candidate’s actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.

“(4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice that tends to corrupt or undermine our American system of free elections, or that hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.

“(5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.

“(6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group which resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics which I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.

“(7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.” [E.C. Sec. 20440]

Write-in Candidates

Write-in candidates go through a process similar to candidate filing. If an individual has not gone through this process, he or she cannot be elected even if a majority of voters write his or her name on the ballot.

Filing Requirements

In order to become a write-in candidate and have votes counted for a particular office, one must file a Statement of Write-in Candidacy. This form contains the candidate’s name and residence address, a declaration stating one is a write-in candidate, the title of the office sought, the election date, the party nomination sought (for partisan offices only), a certification of the candidate’s complete voter registration and party affiliation for the preceding 10 years, and for any of the offices described in Section 13.5, a statement that the candidate meets the statutory and constitutional requirements for that office as described in that section. As with the Declaration of Candidacy, the candidate’s signature on the Statement of Write-in Candidacy will need to be witnessed by the elections official or, if the candidate will be out of town during the write-in candidate filing period, a notary public. Write-in candidates also need to sign an Oath of Allegiance. If the office requires nomination signatures, the candidate will also need to collect the same number of valid signatures as other candidates. [E.C. Sec. 200, 8600, *et. seq.*, *Cal. Constitution Art. XX, Sec. 3*]

When to File

The write-in candidacy period for the November 3, 2020 Presidential General Election is September 7, 2020 through October 20, 2020. [E.C. Sec. 8601]

Filing Fees

No fee or charge shall be required of a write-in candidate except in the case of a candidate for city office, as provided in Section 10228. [E.C. Sec. 8604]

How Elected

Nonpartisan

To be elected to a county nonpartisan office, a write-in candidate must receive over 50% of votes cast for that office. If no candidate receives over 50% of the votes, the top two candidates will run off in the general election.

Voter-Nominated

If a write-in candidate for the primary election receives the highest number of votes or the second highest number of votes, the write-in candidate will run off in the general election. In a general election, there are no write-in candidates for a voter-nominated office. [E.C. Sec. 8605, 8606]

Appearing on the Ballot

School Districts

If the number of candidates who file for a particular office is the same or less than the number of seats to be filled, the office will not appear on the ballot. The school district board will appoint the candidate(s) who filed for office. If no candidate has filed for office, the school district board may appoint any qualified person to the office. Appointees serve as though they were elected. [Education Code Sec. 5326, *et seq.*]

Special Districts

If the number of candidates who file for a particular office is the same or less than the number of seats to be filled, the office will not appear on the ballot and the Registrar of Voters shall request the Board of Supervisors to appoint the candidate(s) who have filed for office. If no candidate has filed for office, the Board of Supervisors shall appoint any qualified person. Appointees shall serve exactly as if elected at a general district election. [E.C. Sec. 10515]

City Offices

If the number of candidates who file for a particular municipal office is the same or less than the number of seats to be filled, the governing body of the city may, at a regular or special meeting, adopt one of the following courses of action:

- Appoint to the office the person who has been nominated;
- Appoint to the office any eligible elector if no one has been nominated;
- Hold the election, if either no one, or only one person, has been nominated.

However, the office must appear on the ballot if there is more than one candidate for any other city office or the city has a measure appearing on the ballot. [E.C. Sec. 10229]

Voter-Nominated Offices

These offices always appear on the ballot. The candidates who have won the nomination of the voters by receiving the highest number of votes or the second highest number of votes at the primary election will appear on the general election ballot. [E.C. Sec 8300, 15451]

Judicial Offices

If the incumbent was the only individual to file nomination papers during the filing period for the primary election, the office will not appear on the ballot. However, if a petition indicating that a write-in campaign will be conducted for the office at the general election, signed by at least 100 registered voters, is filed not less than 83 days before the general election, the incumbent's name shall appear on the ballot. If the incumbent's name does not appear on either the primary or general election ballot, the incumbent is re-elected. [E.C. Sec. 8203]

Financial and Campaign Disclosure Information

The Political Reform Act of 1974 (the Act) mandates that all candidates for state and local elective offices, all state and local elected officeholders, and recipient campaign committees file campaign disclosure statements listing contributions received and expenditures made. The campaign disclosure statements put this information in the public domain. In addition to making the financial activities of campaign committees available to the public, these statements help protect candidates from unfounded accusations. This program is administered by the Secretary of State, the Fair Political Practices Commission (FPPC), and local election officials.

Federal candidates fall under the jurisdiction of the Federal Elections Commission (FEC). For information on their regulations, please contact the FEC at www.fec.gov or toll-free at 800-424-9530.

Public Record

All campaign disclosure statements are a matter of public record. Any member of the public or press may inspect them at the Elections Office and copies of filed campaign disclosure statements may be made for ten cents (\$0.10) a page. In addition, a retrieval fee may be charged per request for copies of reports and statements five or more years old (not to exceed \$5.00). Campaign disclosure forms are also available for viewing online; follow the links from our website at www.placerelections.com. [Gov. Code Sec. 81008]

Termination of Filing Requirements

Candidates, officeholders, and committees do not automatically terminate their filing requirements when activity ceases or when an officeholder with an active committee vacates office. An individual maintains candidate status until any potential campaign activity that may require disclosure ceases *and* the appropriate forms (Terminating Form 410 and Terminating Form 460) have been filed. [Gov. Code Sec. 84214, FPPC Regulation 18404]

If the committee of a successful candidate is terminated before the end of the calendar year, the candidate will continue to file the Form 460 for the remainder of the calendar year.

Contributions / Expenditures

No monetary contribution of \$100 or more shall be received in cash. No expenditure of \$100 or more shall be made in cash. [Gov. Code Sec. 84300(a)(b)]

Campaign Funds

All contributions must be segregated and shall not be commingled with personal funds of the recipient or any other person. Committees must open a campaign account and all money intended for use in the campaign must be deposited into this account, including personal funds. Expenditures need to be made from this account.

The funds in the campaign account may not be used in connection with any other office sought by the candidate. [Gov. Code Sec. 84307, 89511.5(e)]

For more information on restrictions regarding the use of campaign funds, please contact the Fair Political Practices Commission or visit their website at www.fppc.ca.gov.

Audits

The Act authorizes investigations and audits of committees and candidates. Candidates and committee treasurers should keep complete records and be prepared to submit supporting documents if requested. The retention schedule for supporting documents is listed in the Fair Political Practices Commission manuals. These manuals may be obtained online at www.fppc.ca.gov or from the Elections Office. [Gov. Code Sec. 90000, *et seq.*]

Late Fees / Fines / Penalties

It is the responsibility of candidates and treasurers to be aware of, and to file, the required campaign disclosure statements in a correct and timely manner. Filing after a deadline may lead to late filing penalties of \$10 for each day the statement is late. Committees that fail to file are subject to administrative penalties of up to \$5,000 per violation. Statements must be hand delivered or postmarked as first-class mail by the due date. Second pre-election campaign statements must be mailed by guaranteed overnight delivery instead of first-class mail. Certified mail is recommended, but not required. [Gov. Code Sec. 81007, 83116, 91013]

Violations of the campaign disclosure law may result in criminal prosecution by the State Attorney General or the County District Attorney, or civil action by the Fair Political Practices Commission, the District Attorney, or a private citizen. [Gov. Code Sec. 91000, *et seq.*]

Definitions

Candidate

An individual who:

- Is listed on the ballot;
- Has qualified to have write-in votes on his or her behalf counted by election officials for nomination or for election to any elective office; or
- Receives a contribution, makes an expenditure, or gives his or her consent for any other person to receive a contribution or make an expenditure with a view to bringing about his or her nomination or election to any elective office.

An individual who becomes a candidate shall retain his or her status as a candidate until that status is terminated. [Gov. Code Sec. 82007]

Committee

Any person or combination of persons who directly or indirectly:

- Receives contributions totaling \$2,000 or more in a calendar year;
- Makes independent expenditures totaling \$1,000 or more in a calendar year;
- or
- Makes contributions totaling \$10,000 or more in a calendar year to or at the behest of candidates or committees.

A person or combination of persons that becomes a committee shall retain its status as a committee until that status is terminated. [Gov. Code Sec. 82013]

A committee receiving \$2,000 or more must file a Statement of Organization – Form 410 within 10 days of receipt (or within 24 hours if the change occurs after the close of the last pre-election filing period). Forms can be downloaded from the FPPC website at www.fppc.ca.gov or obtained from the Elections Office. Mail the original and a copy to the Secretary of State's Office and one copy to the Elections Office. [Gov. Code Sec. 84101]

The \$2,000 threshold triggers the requirement to file a Form 410 and create a committee.

The Form 410 is also filed when there is any change to the information listed on the form, such as the treasurer information or committee type. [Gov. Code Sec. 84101, 84103]

Controlled Committee

A committee that is controlled directly or indirectly by a candidate or state measure proponent or which acts jointly with a candidate, controlled committee, or state measure proponent in connection with the making of expenditures. A candidate or state measure proponent controls a committee if he or she, his or her agent, or any other committees he or she controls has a significant influence on the actions or decisions of the committee. [Gov. Code Sec. 82016]

Common Filing Requirements

The amount of money that a candidate or committee raises or spends determines the filing requirements. Candidates and committees who stay below the \$2,000 threshold have fewer filing requirements. However, if the candidate and committee either receives contributions of \$2,000 or more, or makes expenditures of \$2,000 or more, a committee must be formed and more detailed disclosure statements must be filed.

A list of the most common filing requirements appears below.

Candidates who receive/spend less than \$2,000

- Form 501 – Candidate Intention Statement
- Form 470 – Officeholder/Candidate Campaign Statement-Short Form

Candidates who receive/spend more than \$2,000

- Form 501 – Candidate Intention Statement
- Form 470 Supplement – Officeholder/Candidate Campaign Statement
- Form 410 – Statement of Organization (also used for termination)

Form Descriptions

FOR	DESCRIPTION
410	Statement of Organization. For use in organizing a committee, changing information for a committee, or terminating a committee.
460	Recipient Committee Campaign Statement – Long Form. For use by a recipient committee which receives a cumulative contribution of \$2,000 or more, or expends \$2,000 or more, during a calendar year, an officeholder who is ineligible to file a Form 470, or an officeholder who files jointly with one or more controlled committees.
465	Supplemental Independent Expenditure Report. For use by an officeholder, candidate, or committee that makes independent expenditures totaling \$1,000 or more in a calendar year to support or oppose a single candidate, a single ballot measure, or the qualification of a single measure. This form is not used by the candidate on whose behalf the independent expenditure was made.
470	Candidate and Officeholder Campaign Statement – Short Form. Form 470 may be used if less than \$2,000 has been raised or spent by or on behalf of the candidate, and he or she anticipates raising or spending less than \$2,000 for his or her candidacy for the entire calendar year.
496	Late Independent Expenditure Report. For use by individuals or group that make independent expenditures totaling \$1,000 or more to support or oppose a single candidate during the 90 days immediately before the election. The (aggregated) expenditure must expressly advocate the election or defeat of a candidate. Furthermore, this expenditure cannot be made to or at the behest of the affected candidate or committee. If it is the expenditure is then an in-kind contribution. [Gov. Code Sec. 82031]
497	Late Contribution Report. For use by candidates and committees to report contributions that cumulatively total \$1,000 or more from a single source received or made during the 90 days immediately before the election. A late contribution is a monetary or non-monetary contribution including a loan, or combination of monetary and non-monetary contributions and loans.
501	Candidate Intention Statement. A candidate for state or local office must file this form prior to solicitation or receipt of any contribution, or expenditure of any personal funds used for the election.
700	Statement of Economic Interests. This form is used by candidates and officeholders to disclose their financial interests. Candidates file it when they complete their nomination paperwork and officeholders file it annually. It discloses economic interests of the past 12 months.

Conflict of Interest

In accordance with the Political Reform Act, state and local candidates and officeholders are required to disclose their economic interests (federal candidates and officeholders are not covered by the Act). Because a few officeholders have used their positions for personal gain in the past, it is important for voters to have a way to verify that their elected officials do not have conflicting economic interests. The Form 700 – Statement of Economic Interests – gives candidates and officeholders a way to make their economic interests public to protect them from accusations of misconduct and to protect voters from officeholders who abuse their positions. [Gov. Code Sec. 87100, *et seq.*]

General Campaign Information

State and local laws may affect candidates' campaigns. These laws were enacted to protect the voting rights of citizens and to ensure fair play in campaign practices. Please keep in mind that this section is not all-inclusive and does not take the place of legal advice. However, the information contained should give you a starting point in understanding and following the laws related to political campaigns.

Political Signs

A political sign is a posted advertisement used to promote or campaign against a candidate or measure for an upcoming election. Any type of advertising viewed by the public can fall under political sign regulations. The placement of political signs is subject to regulation by the state, county, and/or cities, and may require a sign deposit.

State

The Division of Traffic Operations is prepared to answer questions about state regulation of campaign signs. For information, call 916-654-6473 or go to www.dot.ca.gov/programs/traffic-operations/oda/political-signs. You can also ask the Placer County Elections Office for a handout prepared by the Division of Traffic Operations for candidates who intend to advertise outdoors.

County

Placer County Code Chapter 17 Zoning, Section 17.54.190(b) requires that:

- Signs shall be posted no earlier than 60 days prior to the election to which they pertain.
- Each person or organization posting such signs shall first deposit with the Placer County Elections Office a refundable deposit to guarantee removal of the signs as required. Such deposit shall be \$200.00.
- Signs shall be prohibited within any public right-of-way and meet all county setback requirements.
- Signs are permitted to be posted on private property pursuant to the provisions of this section.
- Signs shall be removed no later than 21 days after the election to which they pertain.

If signs are not removed within the statutory time frame, notice shall be issued and the responsible party has seven (7) days from the date of notice to remove the signs. If the signs are not removed within that time, violations are punishable under Article 1.24.010 of the County Code. The punishment is a fine not to exceed \$500.00 per violation, with each day constituting a separate violation, or not more than six months in jail.

For more information about the Placer County political sign regulations, contact the Community Development Resource Agency at 530-745-3197. Voter Registration Drives

Some candidates conduct registration drives or encourage individuals to register to vote while they are campaigning or collecting signatures. To ensure that election law is followed and that voters' rights are secured, we ask that anyone involved in the process follow the guidelines below. Please note that this does not contain all laws regarding voter registration. Contact the Secretary of State's Office or the Placer County Elections Office if you have any questions.

The Voter Registration Form

Voter registration forms may be obtained from the Elections Office. If an individual requests registration forms, he or she will need to complete a "Voter Registration Card Statement of Distribution." At that time, Elections staff will go over the registration form requirements with the individual who is requesting them.

Individuals distributing voter registration forms must give a form to anyone who requests one, provided they have a sufficient number of forms. [E.C. Sec. 2158(b)(3)]

Candidates and their volunteers may not affix or write any statements urging or indicating support or opposition to any candidate onto the voter registration form. [E.C. Sec. 18105]

Anyone who, without the specific written consent of the voter, willfully and with the intent to affect the voter's voting rights, causes, procures, or allows for the voter's party affiliation declaration on the voter registration form to be defaced, altered, or completed may face imprisonment in the state prison for 16 months or two or three years or in the county jail for not more than one year. [E.C. Sec. 18106]

Returning the Voter Registration Form

Voter registration forms need to be returned to the Elections Office within three (3) business days or by the close of registration, whichever comes first. It is a misdemeanor, punishable by a fine up to \$1,000, to knowingly or negligently interfere with the prompt delivery of the voter registration forms to the Elections Office. [E.C. Sec. 2138, 2139, 18103]

Confidential Information

A voter's driver's license number, identification card number, and social security card number contained on a voter registration form are confidential. This information shall not be disclosed by an individual or organization that distributes voter registration forms or by any person entrusted with the voter registration form. [E.C. Sec. 2138.5]

Political Advertisements

As used in Elections Code Section 20008, "paid political advertisement" shall mean, and shall be limited to, published statements paid for by advertisers for purposes of supporting or defeating any person who has filed for an elective state or local office.

Any paid political advertisement which refers to an election or to any candidate for state or local elective office which is contained in or distributed with a newspaper, shall bear on each surface or page thereof, in type or letter at least half as large as the type or lettering of the advertisement or in 10-point Roman type, whichever is larger, the words "Paid Political Advertisement." The words shall be set apart from any other printed matter. [E.C. Sec. 20008]

Electioneering near Polling Places

On Election Day, certain activities may not occur within 100 feet of the polling place. These activities include electioneering, circulating petitions, soliciting votes, speaking to a voter about marking the ballot, placing signs relating to a voter's qualification to vote or speaking to a voter on the subject of his qualification to vote, or recording a voter entering or exiting a polling place. Signs are strategically placed to clearly mark the 100-foot limits of the polling place. [E.C. Sec. 18370, 18541]

The California State Legislature has defined electioneering as "the visible display or audible dissemination of information that advocates for or against any candidate or measure on the ballot within 100 feet of a polling place, an elections official's office, or a satellite location." Electioneering information includes visual displays associated

with a candidate or measure, paraphernalia containing electioneering information (e.g., shirts, campaign buttons), and the dissemination of audible electioneering information. [E.C. Sec. 319.5]

News Media Exit Polls

Members of the news media are permitted to conduct voter surveys outside of the polling places on Election Day. These surveys may take place no closer than 25 feet from the door to the polls.

Canvassing the Election

Final results for the election cannot be released until the canvass has been completed. The election canvass process is an internal audit and is required by state law to ensure the accuracy of election results. California election law allows 28 days to conduct the official canvass of the final election results. The canvass begins no later than the Thursday after the election and concludes within 28 days of the election. Placer County traditionally starts Wednesday, the day after the election. During the canvass, vote-by-mail ballots turned in at the polling places on Election Day and conditional voter registration/provisional ballots are researched to validate eligibility. The Elections Office performs a manual count of 1% of all ballots cast in each race to verify the accuracy of the election tally system; tallies eligible, damaged mailed vote-by-mail ballots, and conditional voter registration/provisional ballots; and counts write-in votes. The canvass concludes with the certification and issuance of official election results. Any member of the public may observe this process. [E.C. Sec. 15300, *et seq.*]

Appendix A: Services to Candidates

Candidates may purchase the following voter information from the Placer County Elections Office to aid with their campaigns. All requestors must complete an “Application to Purchase/View Voter Registration Information” form and will be required to sign a statement verifying the information will not be used for personal or commercial purposes. The request form can be found online at www.placerelections.com/campaign-resources. Please allow enough time for the Elections Office to produce your report or labels. Times vary among jobs, so please coordinate your requests with the Elections Office for best results.

Precinct Index (a.k.a. Walking List)

Precinct indexes are printed in alphabetical order by street names, then numeric by house numbers. The list shows the names of voters at each address, with party preference and telephone number. Each candidate may order precinct indexes at a base cost of \$5.00 per 5,000 names, rounded up to the next 5,000 names.

Registered Voter List (a.k.a. Alpha List)

Many lists may be produced which contain more complete information for each voter record. These lists are arranged in alphabetical order by voter's last name and may be printed by precinct, district, or countywide. Many formats are available, which may include: residence address, mailing address, telephone number, party preference, etc. The Elections staff will recommend lists based on what the requestor wishes to accomplish. Each candidate may order alpha lists at a base cost of \$5.00 per 5,000 names, rounded up to the next 5,000 names.

Registered Voter File

The voter file, countywide or by district, may be obtained on CD at the following charges:

- \$100.00 - Countywide voters.
- \$125.00 - Countywide voters, with voter history. (May specify up to 5 elections for history attached to each record, or "All history" in a separate file with a Unique ID field to link to each voter.)
- \$25.00 - District File, per 30,000 voters.

This file format is .txt, which may be imported into most software programs such as MS Access, MS Excel, etc. Test files may be requested. Pre-paid files may be transmitted via encrypted e-mail.

Mailing Labels

Mailing labels addressed to every eligible voter or to family households of the same surname are available. Household labels constitute approximately 78% of the registered voters within a district. The cost is \$0.10 per label. The labels can be ordered by district or precinct.

Precinct / District Maps

Precinct or district maps are available from the Elections Office. Specialty maps using geographical information systems technology are also available. Contact the Elections Office for the cost of these maps.

Voting Precinct Lists

This report details the regular precincts that were placed into specific voting precincts. The fee is \$5.00.

Polling Place Lists

A list of the polling place locations for the upcoming election is available for standard copy fees, which are \$0.50 for the first page and \$0.25 for each additional page.

Vote-by-Mail Voter Information

Vote-by-Mail Labels

For \$0.10 per label, vote-by-mail labels are available starting from 29 days before the election and continuing through 7 days before the election.

Vote-by-Mail Date Range / District Report

An alphabetical list can be requested, from any specific date to the present that includes the name and mailing address of every early voter. It also provides the precinct number, the date of the vote-by-mail request, the date the ballot was issued/mailed, the political party of the requestors, and the date if the ballot was returned. This report can be run by district or countywide. The initial report is \$35.00 and subsequent reports are \$10.00.
