What is Vote-By-Mail voting and how does it work?

Vote-By-Mail voting allows registered voters to cast a ballot without going to a polling place on Election Day. If a registered voter requests a Vote-By-Mail ballot, the Placer County Office of Elections will send the ballot to the voter's designated mailing address beginning 29 days prior to Election Day. Voted ballots may be returned by mail, in person or via the 24 hour drive-up, drop-off ballot box located at the Placer County Office of Elections or at any polling place in Placer County from 7:00 A.M. to 8:00 P.M. on Election Day. The Placer County Office of Elections is located at 2956 Richardson Drive, Auburn CA, 95603. Regular office hours are Monday through Friday from 8:00 A.M. to 5:00 P.M. For added convenience the Placer County Office of Elections may be open the two weekends prior to Election Day. Contact the Placer County Office of Elections for election specific hours.

According to Election Code 3009(b), the individual picking up the ballot must be at least 16 years of age or older and either the voter's spouse, child, parent, grandparent, grandchild, sibling, or a person residing in the same household as the voter.

In order to have a ballot picked up by an authorized representative, the voter must be already registered as a Permanent Vote-By-Mail voter or submit a request for a Vote-By-Mail ballot (in writing or by phone).

According to Election Code 3009 (b) prior to its release, the person picking up the ballot must sign a statement under penalty and perjury that he/she is, in fact, authorized by the voter to deliver the Vote-By-Mail ballot.

As a Vote-By-Mail voter, how will I receive information about candidates and measures?

You will be mailed a Sample Ballot and Voter Information Guide for all local candidates and measures. In a statewide election, every household will receive a Voter Information Guide from the Secretary of State with information about State propositions and candidates. To learn more about candidates and measures visit [Current Election](#) or the Secretary of State's website at www.sos.ca.gov.

During Primary Elections, how are non-partisan Vote-By-Mail voters notified of which political parties will allow voting for partisan candidates?

The **Presidential** Primary Election is the only election in which your political affiliation affects the ballot you receive. Because of this, prior to every Presidential Primary Election the Placer County Office of Elections will send a postcard to all unaffiliated Vote-By-Mail voters informing them of the parties that permit “cross-over” voting. The postcard contains a list of available “cross-over” party ballots along with the option to choose a party ballot for that election. Contact the Placer County Office of Elections at 530-886-5650 or toll free in California at 1-(800)-824-8653, or visit the Secretary of State’s website at www.sos.ca.gov for more information.

During a non Presidential Primary Election, all candidates on the ballot, regardless of their party preference, will appear on a single primary election ballot and voters can vote for any candidate (voter-nominated office). The top two overall vote-getters – not the top vote-getter from each qualified political party – will move on to the general election. Contact the Placer County Office of Elections at 530-886-5650 or toll free in California at 1-(800)-824-8653, or visit the Secretary of State’s website at www.sos.ca.gov for more information.

Voters may be required to vote by mail if their precinct has fewer than 250 registered voters on the 88th day prior to an election and is declared to be a "Mail Ballot Precinct" by the Placer County Office of Elections. Notices are sent to all Mail Ballot voters prior to each election to advise them that they live in a Mail Ballot precinct. How can the Placer County Office of Elections be certain the ballot I return belongs to me?

According to California Election Code 3019, once your Vote-By-Mail ballot has been returned to the Placer County Office of Elections, the signature on the return envelope is compared to your signature on file. If there is a match, your ballot will be counted. If the signatures do not match the ballot cannot be counted. However, our office may attempt to contact you directly. A new Voter Registration Form will be mailed out to you after the election so that we may obtain your current signature for future use.

If a signature was not provided on the return envelope containing your ballot, it may be mailed back to you for signing or (depending on the proximity of Election Day) our office may attempt to contact you directly.
